(Earlier clause Note- 01, Page No. 125)	(Revised clause)
*For the purpose of consideration of fulfillment of eligibility criteria, a single experience/ project shall not be inter alia considered for marking under clause A1, A2 and A3 despite having scope conformity. The bidder has to submit separate credentials for individual considerations for under clause A1, A2 and A3 respectively.	For the purpose of consideration of fulfillment of eligibility criteria, a single experience/ project shall not be inter alia considered for marking under clause A1 and A2 despite having scope conformity. If experience/projects submitted by bidder under clause A1 and A2 contains scope which satisfies the criteria under clause A3, bidder may submit the same experience/project credentials for consideration under clause A3. In such case, bidder has to exclusively submit same credentials to meet the criteria under clause A3 (highlighting the scope conformity)
