NOTICE INVITING TENDER (NIT)
TENDER NO.: GIPCL/SLPP/MINES/WBs/BRC/2027&2028

Name of work	Providing Biennial Rate Contract (BRC) for operation and housekeeping of 8 nos. of weighbridges installed at Plant side and 5 nos. of weighbridges installed at Valia Mine site.
Place of work	Surat Lignite Power Plant, Village: Nani Naroli, Taluka: Mangrol, Dist.: Surat- 394112 (Gujarat).
Quantity	The successful Bidder will be awarded this contract involving total tentative quantities of various items as mentioned against item descriptions in BOQs/Price Schedule.
Contract period	Two years i.e. 01.01.2027 to 31.12.2028, from the date issue of LOI or work order whichever is later.
EMD	Rs. 1,40,000.00 (Rupees One Lakh Forty Thousand only) by way of demand draft drawn in favour of Gujarat Industries Power Co. Ltd., payable at SBI -Nani Naroli Branch ONLY (IFS Branch Code-SBIN0013423) or Bank of Baroda - Mosali Branch ONLY (IFS Branch Code-BARB0MOSALI), Dist. Surat or through online payment gateway of company's website: www.gipcl.com (online Payment form) as per details mentioned @ Annexure-M
Cost of tender document / tender fee	Rs. 2,950/- (Rupees Two Thousand Nine Hundred Fifty only) (non-refundable, inclusive of 18% GST) only through RTGS/NEFT or through online payment gateway of company's website : www.gipcl.com (online Payment form) as per details mentioned herein under clause no.8 of instructions to bidders
Availability of online e-Tender document	On website: https://www.nprocure.com or https://www.gipcl.com .
Downloading of tender document from websites:	30/09/2026, 17:00 Hrs. to 15/10/2026,17:00 Hrs.
Last date & time of online submission of offer	15/10/2026,17:00 Hrs. on website: https://www.nprocure.com
Issue of Corrigendum to document, if required:	As and when required till last date of submission.
Submission of Techno-Commercial (Part-I) Bid in Physical form along with supporting documents at below mentioned address:	On or before 16/10/2026 to 17:00 Hrs. at office of Surat Lignite Power Plant, Nani Naroli, Dist. Surat.
Date and time for opening of Price Bid (Part-II):	The date and time of opening of price bids will be intimated to the technically eligible Bidder's at least one day in advance by phone / fax / courier / email.
E-Reverse Auction:	E-Reverse Auction will be conducted and informed by GIPCL to all qualified Bidders.

NOTES:

SECTION-A

INSTRUCTIONS TO BIDDERS

1. PLANT SYNOPSIS

Gujarat Industries Power Company Limited (GIPCL) (henceforth be named Company/GIPCL), is a Premier Power Utility in the State of Gujarat with an installed capacity of 1184.40 MW comprising of various conventional and renewable projects.

GIPCL commissioned its first power project; a 145 MW gas based combined cycle powerplant in year 1992 at Vadodara. It expanded its capacity 165 MW Naptha & gas based Combined Cycle Power Plant at Vadodara in year 1997. GIPCL has commissioned 1MWp Distributed Solar Power Projects at two locations in Gujarat viz. at Village: Amrol, Dist.: Anand and at Village: Vastan, Taluka Mangrol, Dist.: Surat.

Surat Lignite Power Plant (SLPP) with four units of 125 MW installed capacity each is located at Village: Nani Naroli, Taluka: Mangrol, District: Surat in Gujarat. GIPCL has also operating its own captive Lignite and Lime Stone Mines close to the Power Plant. The Power Plant is based on Circulating Fluidized Bed Combustion (CFBC) technology for the Boilers, where Lignite is burnt along with Lime Stone in the Combustor of the Boiler. It also commissioned 5 MW solar power station at SLPP in year 2012.

GIPCL has successfully commissioned a 2 x 40 MW Solar Project in year 2017 as well as a 75 MW Solar Power Project in year 2019 at Gujarat Solar Park, Village Charanka, Dist.: Patan and 100 MW Solar PV project in year 2021 at the Raghnesda Solar Park. GIPCL has also successfully commissioned 112.40 MW wind farms at different location of Gujarat.

Surat Lignite Power Plant (SLPP) is accessible by road from Kim and Kosamba, which are on Mumbai-Ahmadabad highway. From Kosamba, SLPP is around 32 KM, out of which 27 KM is part of the National & State Highway and balance 5 KM is District Road. From Kim, SLPP is around 18 KM, out of which 13 KM is the State Highway and balance 5 KM is District Road. The nearest Broad-Gauge Railway Line is at Kim, which is around 21 KM from the SLPP. Surat is approximately 50 KM from the SLPP. Location Map for SLPP is as under.

The Company intends to award Biennial Rate Contract (BRC) for operation and housekeeping of 8 nos. of weighbridges installed at Plant side and 5 nos. of weighbridges installed at Valia Mine site at GIPCL-SLPP and is therefore inviting open online tenders on website <https://www.nprocure.com> from experienced & resourceful contractors.

2. **SCOPE OF WORK:**

The Company intends to Providing Biennial Rate Contract (BRC) for operation and housekeeping of maximum 8 nos. of weighbridges installed at Plant side and 5 nos. of weighbridges installed at Valia Mine site at GIPCL-SLPP.

A. Plant site 08 nos. of weighbridges.

The scope of the work covers providing “Biennial Rate Contract for operation and housekeeping of maximum 08 (Eight) no. pit less electronic weighbridges having 80T capacity” for the year 2027 & 2028.

The successful bidder shall provide contractual qualified and experienced workmen, Semi-Skilled category for operation and Un-Skilled category for housekeeping of maximum 8 (Eight) nos. weighbridges installed at plant site as per State Government labour laws & regulations, for round the clock work basis.

The detailed scope of work is mention below.

1. The propose contract is for providing services for operation and housekeeping of electronic pit less 80T capacity weighbridges installed at GIPCL, Surat Lignite Power Plant (SLPP) site of GIPCL.
2. The Contractor shall operate and maintain all weighbridge equipment in good and proper working condition. The Contractor shall also be responsible for the daily cleaning of each weighbridge operator's cabin, weighbridge platform, computer and its accessories, and RFID installation at each weighbridge.
3. Gujarat Industries Power Company Limited annual requires tentative quantity of about 37.10 Lacs Tonnes / year of Lignite/lime stone/ other materials (like but not limited to rubble stones, bitumen, etc...) for 4x125 MW power plants installed at Surat Lignite Power Plant at Nani Naroli, Tal: Mangrol Dist. Surat. The average requirements of Surat Lignite Power Plants (SLPP) are about 3.7 Lakh tonne of Lignite/lime stone/outside mineral on monthly basis. It may go up to about 4.50 Lacs tonne of Lignite/ limestone/outside mineral on monthly basis from January to July to build up the stocks for the monsoon purpose.
4. The above quantities are **tentative and indicative only** and may vary depending upon the actual operational requirements, electricity generation programme, availability of materials, stock position, transportation conditions and other relevant factors. Accordingly, GIPCL does not guarantee of any minimum or fixed quantity under the proposed arrangement.
5. The Contractor shall make necessary arrangements for the weighment of lignite, limestone and outside minerals at the Power Plant, as per the requirements of GIPCL, which may vary from time to time. The Contractor shall have no objection to such variation and shall accordingly not be entitled to any additional compensation, claim or indemnity on account of any increase or decrease in the quantity of such materials to be weighed or in the operation and housekeeping of the 08 Nos. of weighbridges. Further, GIPCL reserves the

- right to increase or decrease the monthly weighment quantity during any operating month. The Contractor shall comply with such revised requirement without any additional claim or compensation.
6. The Contractor shall operate and maintain up to a maximum of 08 (Eight) weighbridges at the Plant Site, as required by GIPCL, in all three shifts on a round-the-clock basis throughout the year during 2027 and 2028. The Contractor shall deploy adequate and competent manpower to ensure uninterrupted operation and maintenance of the weighbridges in all shifts.
 7. Contractor shall be responsible for maintaining the mines, mineral and supplier wise, day to day records of the weighbridges and e.g. Weighment slips & royalty pass etc. further contractor bind the documents in book form. For binding work, mines & other outside agency wise slips as well as mineral wise shall be bind (i.e. bonded with stitching) in to a book form and preserved suitably, as directed by the GIPCL official.
 8. The scope of work includes providing and maintaining the 01 No. of vacuum cleaner at both ends to keep the weighbridges and operator's cabin dust free during the entire contract period under the supervision of GIPCL official. The vacuum cleaner should have the minimum 3.5 Litters dust carrying capacity of Dyson/Eureka Forbes/Bosch/Phillips make only.
 9. The normal weighbridge operation period in a year shall be approximately 10 months (i.e. from October to July), as the production and transportation activities of GIPCL's captive mines are generally discontinued during the peak monsoon period of August and September. Accordingly, during this period, the regular operation and housekeeping of the weighbridges may also remain discontinued.
However, if required and subject to site conditions, GIPCL may operate the minimum required number of weighbridges, up to 03 (Three) Nos., during the monsoon period for weighment of lignite, limestone, outside minerals or other materials.
The Contractor shall also make necessary arrangements for weighment of other materials, such as imported coal, rubble stones, etc., during the monsoon period, as and when required by GIPCL. During such period, the Contractor shall deploy the required number of weighbridge operators and other necessary manpower based on the actual requirement of weighment. The Contractor shall not be entitled to any additional compensation on account of variation in the number of weighbridges operated or the quantity of material weighed during the monsoon period.
 10. The Contractor shall permit weighment only of those vehicles/dumpers that are duly authorized by GIPCL. No unauthorized vehicle/dumper shall be permitted for weighment without prior approval of the designated GIPCL official.
 11. After completion of weighment, the generation, preparation and issuance of invoices, online and/or otherwise, royalty passes and other relevant documents for the authorized dumpers/vehicles of GIPCL Captive Mines and other agencies authorized by GIPCL shall be within the scope of the Contractor.
 12. The Contractor's workmen shall be responsible for the generation, signing and issuance of weighment slips to the authorized dumpers/trucks from GIPCL Captive Mines and other outside agencies authorized by GIPCL, after completion of the weighment process. The weighment slips shall be generated accurately and issued promptly in accordance with the prescribed GIPCL procedure and instructions of the designated GIPCL official.
 13. The Contractor shall be responsible for the complete operation and handling of the weighbridge system, including computers, printers, UPS systems, RFID readers and other associated accessories/equipment required for the proper

functioning of the weighbridges. The Contractor shall operate and maintain the required number of weighbridges at the plant site end on a round-the-clock (24 × 7) basis, as per the operational requirements of GIPCL. However, operation & housekeeping of actual number of weighbridges may vary depending upon actual power plant requirement.

14. During the contract period, if required due to operational, administrative or other requirements of GIPCL, the location of any weighbridge may be shifted/reinstalled at a new location within the GIPCL premises or at any other location as directed by GIPCL. The Contractor shall provide the required operational and housekeeping services at the relocated weighbridge as per the instructions of the designated GIPCL official.
15. The Contractor shall ensure that the vacuum cleaners remain in proper working condition throughout the contract period. In case of breakdown or malfunction, the Contractor shall arrange for immediate repair or replacement with a suitable vacuum cleaner meeting the specified requirements, at no additional cost to GIPCL.
16. The Contractor shall be responsible for cleaning each weighbridge platform and its ramps, RFID readers, lights and associated equipment at regular intervals to prevent the accumulation of mud, dust and other debris and to ensure proper and uninterrupted functioning of the weighbridge system throughout the contract period. The cleaning shall be carried out as frequently as required, or as directed by the designated GIPCL official.
17. The Successful bidder shall deploy their weighbridges operators having minimum qualification 12th / Higher secondary examination pass and also should have at least two/three years experience of operation of computerized weighbridges OR at least three months computer course certificate.
18. The successful bidder shall deploy semi skilled workmen for weighbridges operation and unskilled workmen for housekeeping and book binding work.
19. The successful bidder shall organize training of their manpower, to be deployed in the weighbridge's operation & housekeeping, after receipt of the authorization letter and before commencement of the work, under the provision of MVTR, at GIPCL's own Vocational Training center.
20. The bid submitted by the contractor not covering the total scope of work and services as detailed out in the tender document shall be liable for rejection.

B. Valia Mine site 05 nos. of weighbridges.

The scope of the work covers providing "Biennial Rate Contract for operation and housekeeping of maximum 05 (Five) no. pit less electronic weighbridges having 80T capacity" for the year 2025-26.

The successful bidder shall provide contractual qualified and experienced workmen, Semi-Skilled category for operation and Un-Skilled category for housekeeping of maximum 5 (Five) nos. weighbridges installed at Valia Mine site as per Central Government labour laws & regulations, for round the clock work basis as per prevailing central government labour laws, rules & regulation, Order and Notifications etc., for round the clock work basis. The detailed scope of work is mention below.

21. The propose contract is to providing services for operation of electronic pit less 80T capacity weighbridges installed at Valia Mine Site of GIPCL-SLPP.
22. The contractor shall have to operate and maintain weighbridges equipment in good/healthy operating conditions and also undertake daily cleaning of each of the weighbridges operator's cabin including the platform of weigh bridges,

- computer's accessories and RFID installation at each weighbridge, rest shelter and surrounding area.
23. Gujarat Industries Power Company Limited annually requires tentative quantity of about 31.00 Lacs Tonnes / year of Lignite for 4x125 MW power plants installed at Surat Lignite Power Plant at Nani Naroli, Tal: Mangrol Dist. Surat. The average requirements of Surat Lignite Power Plants (SLPP) are about 3.50 Lakh tonne of Lignite on monthly basis from January to July to build up the stocks for the monsoon purpose. Although maximum requirement may be up to 4.50 lakh/month from March to April.
 24. The quantity of Lignite weighment is mentioned here are only indicative/ estimated figures. As this is a captive lignite mine for Surat Lignite Power Plant, the actual quantity of Lignite will depend solely on the actual requirement of the power plant after taking into account Lignite availability from Valia Mine. GIPCL shall have sole discretion as to the requirement of Lignite for generation of electricity from time to time. The Contractor shall make necessary arrangement as per the requirement of Lignite at the Power Plant which requirement may vary from time to time, to which the Contractor shall not have any objection.
 25. Accordingly, the contractor shall not be entitled to any compensation or indemnity on account of increase or decrease in the quantity of Lignite weighment and operation of nos. of weighbridges. Further GIPCL reserves the right to increase/decrease the monthly weighment quantity in an operating month by giving at least a 07 days prior notice in writing.
 26. Contractor shall have to operate about maximum 05 (Five) numbers of weighbridges in all the three (3) shifts, round the clock for the year 2027 & 2028 at Valia Mine site by providing Semi-skilled category workers. Contractor shall have also provided unskilled category workers in General shift & Shift- The requirement of total numbers of weighbridges operations is strictly as per GIPCL requirement.
 27. In a year, actual weighbridge operation period is 9 to 10 months only (i.e. October to July) because, it is observed that, during peak monsoon period (i.e. August to September) the captive mines production remains discontinued and weighbridges operations works also remains discontinued.
 28. Contractor shall be responsible for operation & housekeeping of mines wise day to day records of the weighbridges e.g. Weighment slips & royalty pass etc. further contractor bind the documents in book form.
For binding work, mines & other outside agency wise slips as well as mineral wise shall be bind (i.e. bonded with stitching) in to a book form and preserved suitably, as directed by the GIPCL official.
 29. The scope of work includes providing and maintaining the 01 No. of vacuum cleaner at Valia Mine site to keep the weighbridges and operator's cabin dust free during the entire contract period under the supervision of GIPCL official. The vacuum cleaner should have the minimum 3.5 Litters dust carrying capacity of Eureka Forbes/Bosch/Phillips makes only.
 30. The Contractor shall also provide and maintain 01 No. of easy clean plus vacuum cleaner of Eureka Forbes/Bosch/Phillips make in healthy operating condition during the entire contract period at Valia Mine site for the cleaning of weighbridge's computer accessories at regular interval to prevent the dust as per directive of GIPCL official.
 31. The contractor shall have to clean the each weighbridges platform & its ramps, RFID readers & lights on regular interval to prevent mud and dust.
 32. The contractor shall allow weighment of only the vehicles/dumpers authorized by GIPCL.

33. After weighment, the generation and issuance of invoice, online/otherwise royalty passes etc to the authorized weighed dumpers of Valia Mines authorized by GIPCL shall be in the scope of contractor.
34. The contractor's workmen shall generate, sign and issue weighment slip to the authorized weighed dumpers/trucks from Valia authorized by GIPCL.
35. The complete operation of weighbridges system includes computers; printers, UPS, RFID and other related accessories/equipment required for the purpose shall be handled and maintained by contractor. The contractor shall operate & maintain about maximum 05 numbers of weighbridges at Valia Mine site round the clock at a time. However, operation & housekeeping of actual number of weighbridges may vary depending upon power plant requirement.
36. The bid submitted by the contractor not covering the total scope of work and services as detailed out in the tender document shall be liable for rejection.
37. The Successful bidder shall deploy their weighbridges operators having minimum qualification 12th / Higher secondary examination pass and also should have at least two/three years experience of operation of computerized weighbridges OR at least three months computer course certificate.
38. The successful bidder shall deploy semi skilled workmen for weighbridges operation and unskilled workmen for housekeeping and book binding work.
39. The successful bidder shall organize training of their manpower, to be deployed in the weighbridge's operation & housekeeping, after receipt of the authorization letter and before commencement of the work, under the provision of MVTR, at GIPCL's own Vocational Training centre.

3. GENERAL INSTRUCTIONS

- 3.1 The Bidders who are interested in participating in the tender must read and comply with the instructions and the Terms & Conditions contained in the tender documents.
- 3.2 The Bids shall be filled in by the Bidders clearly, neatly and accurately. Any alteration, erasures or overwriting shall be liable to make the tender invalid unless the same is neatly carried out and attested over the full signature of Bidder. The decision of the Company to interpret the information and rates filled in by the Bidder shall be final and binding on the Bidder.
- 3.3 The Bidders are requested to make themselves fully conversant with the General Conditions of Contract, Special Conditions of Contract, Technical Specifications, Site conditions, Safety & Health Aspects and Norms to be observed etc. before submitting their bids so that no ambiguity arises in these respects subsequent to submission of the Bids.
- 3.4 Before quoting the rates, the Bidder should go through the specifications, scope of work etc. and get himself fully conversant with them. The Bid should include cost of mobilization and cost to adhere to all Safety Norms as described in the tender. No relaxation or request for revision of quoted/accepted rates shall be entertained subsequent to the opening of Bid on account of mobilization or Safety costs.
- 3.5 Bidder has to submit all the information as per required Bid document. Failure to furnish all the information as per required Bid documents or submission of a Bid containing deviations from the contractual terms and conditions, specifications and requirements, shall be rejected.
- 3.6 The Bids shall be submitted within the time frames set out in the Notice Inviting Tender ('NIT') and Bids submitted thereafter shall not be accepted and considered.
- 3.7 The tender documents shall not be transferable.

- 3.8 The Bidders are expected to examine all instructions, forms, terms & specifications in the Bid documents and to get fully acquainted themselves with all the conditions and matters which may affect the subject matter of the work/tender or the cost thereof. If any Bidder finds any discrepancies or omissions in the specifications and documents or any doubt in true meaning or interpretation of any part, he shall seek necessary clarifications in writing if required.
- 3.9 Conditional offers shall not be considered and liable to be rejected.
- 3.10 The Company reserves the right to extend the deadlines for submission of the Bids by giving amendments.
- 3.11 During evaluation of Bids the Company may, at its discretion ask the Bidder (s) for clarification of their Bid. The request for clarification and the response shall be in writing and no change in prices or substance of the Bid shall be sought, offered or permitted.
- 3.12 The Company reserves the right to amend/ modify the Bidding documents at any time prior to the deadline for submission of Bids, either at its own discretion or in response to the clarification requested by a prospective Bidder. In such case, the Company may in its discretion extend the deadline for submission of Bids in order to facilitate the prospective Bidders for incorporating the effect of the amendment in their Bids.
- 3.13 The Bidders shall bear all costs and expenses associated with the preparation and submission of their respective Bids, to attend meetings or conferences, if any, including any pre award discussion with the successful Bidder, technical and other presentations etc. and the Company shall not be liable for any expense thereof.
- 3.14 If the successful Bidder is a joint venture, formed of two or more companies, the Bidder along with the partners shall accept joint and several responsibilities and liabilities for all obligations under the Contract.
- 3.15 Timely and satisfactory completion of the work and strict adherence to the allotted time frames for jobs shall be the essence of the contract.
- 3.16 The Company reserves the right to qualify/disqualify any applicant without assigning any reason.
- 3.17 The Bidder shall be disqualified if any untrue statement or misrepresentation is made in the Bid forms, attachments and other supporting documents submitted by the Bidder.

4. PLANT VISIT

The Bidder is advised to visit the Surat Lignite Power Plant (SLPP) after downloading the tender copy from <https://www.nprocure.com> or <http://www.gipcl.com> to study the actual working conditions, before submitting their offer. The Bidders shall examine the site of works and its surroundings and see for himself that may be necessary for preparing the Bid and entering into a contract. All costs and liabilities arising out of the site visit shall be at Bidder's account.

The submission of tender by a contractor implies that he has read these instructions, conditions of the contract etc. and has himself aware of the scope, nature of works & specifications of the works to be done. GIPCL will not, therefore after acceptance of contractor's rate, pay any extra charges for any other reason in case the contractor is found later on to have misjudged the site conditions.

Any error in description or quantity or omission in the contract document shall not vitiate the contract or release the contractor from executing the work comprised in the contract according to scope of works, magnitude of the works, requirement of materials, equipment, tools& tackles, labour, etc. Contractor has to complete the work in accordance with the contract documents irrespective of any defects, omissions or errors that may be found in the contract documents.

The Bidder is deemed to have examined and understood the tender document, obtained his own information in all matters whatsoever that may affect the works to be carried out especially mentioned or works which may have to be carried out to fulfill his contractual obligation within the scheduled rates and to have satisfied himself to the sufficiency for his offer.

BIDDER shall inspect the site, examine and obtain all information required and satisfy himself regarding matters such as access to site, communication, working condition including constraint of work place, confined area, quantum of dusting, running equipment, importance of work, round the clock working conditions, safety requirements, temperature of fresh drained hot bed material, right of way, high flood level in River, flow of water during monsoon/dry season in the River/Nallah, the type and number of equipment and facilities required for the satisfactory completion of work, the quantity of various items of the work, the availability of local labour, availability and rates of material, local working conditions, uncertainties of weather, obstructions and hindrances that may arise, etc which may affect the work or cost thereof, before submission of his Bid. Cost thereof, before submission of his Bid. Ignorance of site conditions shall not be accepted by the GIPCL as basis for any claim for compensation. The submission of a Bid by the BIDDER will be construed as evidence that such an examination was made. Any later claims / disputes in regard to rates quoted shall not be entertained or considered by the GIPCL.

The rates quoted by BIDDER shall be based on his own knowledge and judgment of the conditions and hazards involved and shall not be based on any representations of the Engineer.

5. ELIGIBILITY CRITERIA

The following criteria shall be adopted for qualifying the Bidders for further proceeding.

- 5.1** Bidder should possess minimum Two years of experience out of last five years (as per following Cl. No.5.2) ending last day of the month previous to the one in which tender is invited, in similar nature of jobs i.e. experience in manpower handling at any State government / Central government / Limited companies / Private Limited companies and should enclose proof of the same. Bidder shall submit necessary evidence for the same like attested copies of work orders along with work completion certificates from clients. The work completion certificate shall comprise of Order value & Executed value. Bidders should have executed the work directly. The work executed as a sub-contractor or subletting agency shall not be taken in to consideration.
Note: For evaluation of the bid, the executed value mentioned in the work completion certificated will be considered.
- 5.2** Bidder should produce evidence of having successfully completed similar works as defined hereunder during last five years ending last day of the month previous to the one in which tender is invited, satisfactory progress of ongoing works, etc. secured from clients along with self-certified copies of documentary evidence preferably self-

certified photo copies of work experience. The experience should be either of the following:

- a. One similar completed/executed work each costing not less than the amount equal to Rs. 55.79 Lacs of the annualized estimated cost.
OR
- b. Two similar completed/executed works each costing not less than the amount equal to Rs. 37.19 Lacs Of the annualized estimated cost.
OR
- c. Three similar completed/executed works each costing not less than the amount equal to Rs. 27.89 Lacs of the annualized estimated cost.

Bidder should specifically mention fulfilling of above criteria in his offer along with details of work orders & work completion certificates issued by clients.

- 5.3** Contractor shall have to submit satisfactory work completion certificate from the client. Experience as a sub-contractor will not be allowed and Price Bid of such Bidders will be rejected.
- 5.4** **Tender fee:** The tender fee of Rs. 2950/- (Rupees Two Thousand Nine Hundred and Fifty only) (non-refundable, inclusive of 18% GST) shall be submitted only through RTGS or through online payment as per details provided in clause no. 7 herein under.
- 5.5** **EMD:** The EMD of Rs. 1,40,000.00/- (Rupees One Lakh Forty Thousand Rs.only) shall be accompanied in the form of DD/NEFT/online mode or the irrevocable Bank Guarantee given by Bank, as described in subsequent clause.
- 5.6** Bidder should have separate Employees Provident Fund code number towards registration of firm with RPF commissioner.
- 5.7** Self-Attested copies of relevant documents duly signed & seal on each & every page shall be submitted. The above documents will be analyzed and after satisfaction, the Price Bid will be open. GIPCL may verify the documents, experience certificates issued by concern authority. After opening of technical Bid, if any required attested documents found missing in the Technical Bid submitted by the Bidder, the tender inviting authority may inform to that Bidder only once by E-mail to submit the missing required documents within stipulated time limit. If Bidder/Bidders fail to submit within stipulated time, their Bid will be declared technically disqualified and no further correspondence will be entertained.
- 5.8** Bidder should have average annual turnover of Rs. 27.89 Lakh, for the last three financial years (2023-24, 2024-25, and 2025-26) and shall furnish annual audited financial statements duly certified by a Chartered Accountant who should be a member of the Institute of Chartered Accountants of India for the last three financial years as stated earlier to demonstrate the financial healthiness of the company. The balance Sheet must be in the name of the company. Any type of MOU for this purpose will not be entertained. Where audit is not applicable to the bidder as per applicable laws of the land, due certification by a qualified Chartered Accountant who should be a member of the Institute of Chartered Accountants of India of the said turnover for the said last three financial years will have to be done & furnished.
- 5.9** The Bidder has to submit INCOME TAX Permanent Account Number (PAN), TIN/VAT no. of the firm. Self-certified copies of the same shall be submitted.
- 5.10** The net worth of the bidder should be positive as on 31.03.2026, audited/certified by a qualified Chartered Accountant who should be a member of the Institute of Chartered Accountants of India.
- 5.11** Bidder has to submit Goods and Service Tax registration number. Self-certified copy of the same shall be submitted.
- 5.12** The deviations if any from the general and technical specifications shall be filled by BIDDER as per Annexure-D of section F.

- 5.13** In case Bidder is a joint venture company since last five years, the above requirements/credential of Joint Venture Company / Parent companies shall be considered.
- 5.14** Bidder shall submit the declaration as they shall submit No claim, No arbitration and unconditional bid and observance of contract conditions on their later head as per Annexure-D & F respectively as per Section-F.
- 5.15** If Bidder or its Partner(s) or Director(s) is /are/was in any Litigation(s), Court Case(s) or Arbitration(s), either completed or under progress during last five (5) years or Black Listed / Deregistered / Stopped or banned from dealing in the past by any Govt, of Gujarat Undertakings / Depts. / Authorities and Govt. of Gujarat supported companies / undertakings / organizations, bid of that party will be liable to be rejected. Bidder agrees and undertakes to accept decision of GIPCL in this regards as final and binding on the Bidder without any demur and that no further correspondence shall be done in this regard at any stage. Bidder shall submit above declaration on their later head as per Annexure-G
- 5.16** Bidder shall have to submit the “Declaration-cum-Undertaking for Compliance of Safety & Labour Laws and Regulations and others” as in Annexure – H attached.
- If any of the details submitted in the prescribed Annexure to the Bid is/are found to be false, incorrect at any time in future, then the Contract awarded to that Bidder / Contractor shall be liable to be terminated forthwith without any notice / correspondence and Bidder agrees and undertakes to accept decision of GIPCL in this regards as final and binding on the Bidder without any demur and that no further correspondence shall be done in this regard at any stage. Further, Performance / Security Deposit will also be liable to be forfeited. Any dues to GIPCL from the Bidder / Contractor shall be recovered from the pending bills or any other dues payable to the Bidder / Contractor, if any or otherwise through any other recourse available under the Laws

The Bidder shall submit all the evidences, documents, attested copies of work orders & work completion certificates, etc. as a proof with details of required EMD & Tender Fee paid/remitted and also provide the requisite details online for meeting the prequalification requirements. GIPCL will independently verify the experience, performance, capability & strength of Bidders for executing the job.

GIPCL may visit the site & consult the owner of the industry/property where similar job is executed by the Bidder. GIPCL reserves the right to accept/split/cancel/reject any/all Bids without assigning any reason thereof. The tenders of qualified Bidder/Bidders shall only be considered for further evaluation.

6. LANGUAGE OF BID

The Bid prepared by the Bidder, and all correspondence and documents relating to the Bid exchanged by the Bidder and the Company, shall be written in the English language. Any printed literature furnished by the Bidder, written in another language shall be accompanied by an English translation for the purpose of interpretation of the Bid.

- 10. The net worth of the bidder should be positive as on 31.03.2026, audited/certified by a qualified Chartered Accountant who should be a member of the Institute of Chartered Accountants of India.

(b) Price Bid:

- 1. Price Bid shall be submitted only on web site <https://www.nprocure.com>
Note: Estimate includes cost of all manpower, equipments, consumables, tools & tackles, Safety statutory compliance, mobilization etc...
- 2. Goods & Service tax shall be paid extra at actual as per prevailing rates as per extant GST laws on submission of documentary evidence.
- 3. The quantities shown in the price Bid are approximate for the contract period and may vary as per job requirement.
- 4. The Bidder shall fill the Bid documents with utmost care in consonance with the instructions contained in the Bid documents.

B: METHOD OF TENDERING/SIGNATURE ON BIDS

- (i) The Bid must contain the postal address like name, residence and place of business of the person or persons submitting the Bid and must be signed and

sealed by the Bidder with his usual signature. The name of all persons signing the documents shall also be typed or printed below the signature on each page.

- (ii) Bid by a joint venture/partnership firm must be furnished with full names of all partners and be signed with the partnership name, followed by the signature and designation of one of the authorized partners or other authorized representative(s). A certified copy of the power of attorney authorizing such partner or representative shall also be submitted.
- (iii) Bids by a Corporation/Company must be signed with the legal name of the Corporation/Company i.e. by the President/Managing Director/Secretary or other person or persons authorized to Bid on behalf of such Corporation/Company. A certified copy of the board resolution/power of attorney authorizing such partner or representative shall also be submitted.
- (iv) The Bidder's name stated on the proposal shall be the exact legal name of the firm.
- (v) Erasures or other changes in the Bid Documents shall be initialed by the person signing the Bid.
- (vi) Bids not conforming to the above requirements of signing shall be disqualified.

9. MODIFICATION AND WITHDRAWAL OF BIDS

- a. The Bidder may modify or withdraw the bid prior to the deadline prescribed for submission of bids.
- b. No Bid shall be modified subsequent to the deadline for submission of Bids.
- c. No Bid shall be withdrawn in the interval between the deadline for submission of Bids and the expiration of the period of bid validity.

10. POLICY FOR BIDS UNDER CONSIDERATION

- a. Bid shall be deemed to be under consideration immediately after opening of the bid and till official intimation of award/rejection made by the Company to the Bidders.
- b. While the Bids are under consideration, Bidders and / or their representative or other interested parties are advised to refrain from contacting by any means, the Company. The Engineer, if necessary, will obtain clarifications on the Bids by requesting for such information from any or all the Bidders, in writing as may be necessary. The Bidder will not be permitted to change the price or substance of the Bid after the Bid has been opened.

11. EFFECT AND VALIDITY OF THE BID

- a. The Bid should be kept valid for acceptance for a period of one hundred and eighty (180) calendar days from the last date of submission of Bids.
- b. The submission of any Bid along with the required documents and specifications shall constitute an agreement that the Bidder shall have no cause of action or claim, against the Company for rejection of his Bid. The Company shall always be at liberty to reject or accept any Bid or Bids at his sole discretion and any action will not be called into question and the Bidder shall have no claim in that regard against the GIPCL.

12. OPENING OF BIDS

- 12.1 The GIPCL will open the pre-qualification/Technical Bid/price Bid, as the case may be, in presence of Bidder's representatives whenever such a procedure

has been specified. Otherwise the tender will be opened by the authorized officers of GIPCL.

12.2 Preliminary Examination:

12.2.1 The Company will examine the Bids for any computational errors, for sureties furnished by bidder, for authentication of documents submitted and completeness of the Bids.

12.2.2 Arithmetical errors will be rectified on the following basis:

- (a) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price will be corrected & will be binding to the bidders
- (b) If there is a discrepancy between the Total Bid Amount and the sum of total prices, the sum of total prices shall prevail and the Total Bid Amount will be corrected & will be binding to the bidders.

13. EVALUATION & COMPARISON OF BIDS

13.1 GIPCL shall evaluate the Bids received and accepted by it to ascertain the lowest evaluated Bid in conformity with the specifications of the tender documents.

13.2 The Technical Bids will be examined for minor matters regarding qualification of bids. Subsequent to correspondence with the respective bidders, the decision of Tender Committee will be final.

13.3 All responses to requests for clarifications shall be in writing and shall be presented to the Company through e-mail or in a sealed envelope on or before the given date requested by the Company. If the Technical clarifications sought by the Company do not reach the Company on or before due date, the Bid will be rejected.

13.4 The comparison of all the Bids shall be carried out with reference to the scope of work as per the technical specification. Any deviation/omission shall be evaluated at highest quoted price of the deviation/omission quoted by any of the Bidder. In case a separate price (for omission) is not given by any other Bidder, a reasonable price of the same shall be taken & the same shall be binding to the Bidders.

13.5 The commercial deviation, if any, shall be loaded to bring all the Bids at par. The loading shall be carried out at an interest rate of 2% above PLR of SBI.

13.6 A Bid to be substantially responsive shall be one which on evaluation confirms to all the terms, conditions and specifications of the Bid documents without any material deviation or reservation.

13.7 For the above referred purpose, a 'material deviation' shall be one which:

- (a) Which affects in any substantial way the scope, quality or performance of the contract, or
- (b) Which limits in any substantial way and in a manner inconsistent with the Bid documents, GIPCL's right or the Bidder's obligations, under the contract, or
- (c) Whose rectification would affect unfairly the competitive position of other Bidders presenting substantially responsive Bids.

14. RIGHT OF REJECTION/SPLITTING OF TENDERS

14.1 GIPCL reserves the right to accept, split or reject any Bid or to cancel the Bidding process and reject all Bids at any time prior to award of contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders regarding the same.

14.2 Any Tender without EMD and Tender fee will be treated as non responsive and shall be rejected at the outset & no further correspondence shall be entertained regarding this.

14.3 GIPCL reserves the right to debar any Bidder from participation in future Bids if such Bidder has quoted an abnormally low rate in the Bid document/price Bid.

15. AWARD OF CONTRACT

15.1 GIPCL will award the contract to that bidder whose quotation has been determined to be substantially responsive and evaluated as the lowest quotation in conformity with the requirements of the specifications and documents contained herein, provided further that the bidder is determined and evaluated to be qualified to perform the contract satisfactorily.

15.2 The successful bidder shall be intimated of his selection through the Letter of Intent or Letter of Award/ Work Order which shall be sent to him through e-mail, courier, fax or registered mail.

15.3 GIPCL reserves the right to cancel/short close the contract during the contract period without assigning any reason by giving one month notice.

15.4 GIPCL reserves the right to split the contract quantity between vendors.

15.5 GIPCL reserves the right to split the contract between vendors.

16. CONTRACT PERIOD

16.1 The contract period for Biennial Rate Contract (BRC) for operation and housekeeping of 8 nos. of weighbridges installed at Plant side and 5 nos. of weighbridges installed at Valia Mine site is two years (2027 & 2028) i.e. 01.01.2027 to 31.12.2028 from date issue of LOI or work order whichever is later.

16.2 GIPCL reserves the right to extend the original contract period up to three months on the same terms and conditions, without any escalation & without issuing any new work order

16.3 The said Contract Period can be extended if mutually agreed upon by both the parties up to one year and in such a case a revised work order shall be issued at the same rates and terms & condition or at negotiated rates acceptable by both parties i.e. the Company & the Contractor.

16.4 The mobilization period will be 15 (Fifteen) days from the date of issue of Lol or Work Order whichever earlier.

17. ASSIGNMENT AND SUB-LETTING

The Contractor shall not directly or indirectly assign or sub-let total/any part of the contract to any other party or agency.

18 CONTRACTOR'S OBLIGATIONS

A: DEPLOYMENT & RESPONSIBILITY OF MANPOWER

(i) The Contractor shall deploy suitably qualified and sufficient manpower for timely & satisfactorily execution of the works under the contract.

(ii) The Contractor shall deploy sufficient Semi-skilled (For Operations) and Un-skilled (For Housekeeping) manpower separately to properly complete the job in given/scheduled time.

(iii) The Contractor shall depute its own workmen/labor with proper identification to enter the plant premises after ensuring that the jobs are scheduled.

- (iv) At the time of deploying manpower, the Contractor shall strictly comply all the applicable labour laws/Acts norms, as amended from time to time including but not restricted to the age of the workers, women workers and shall also ensure that a police verification and security check for all the workmen/labor engaged at the GIPCL site is done and necessary documents regarding the same shall be submitted to the GIPCL's authorized representative/officer-in-charge. Any default in complying with the same or any misrepresentation regarding compliance of the same shall compel GIPCL to initiate appropriate civil or criminal proceedings regarding the same.
- (v) The Contractor shall also comply with the safety requirements and provide his workmen/labor with safety equipment like helmets, masks, gum boots, and other necessary PPEs for properly undertaking the operations involved under this contract. Following are also to be issued:
 - a) Safety shoes
 - b) Goggles / face shield.
 - c) Ear plug / Ear muff.
 - d) Face mask
- (vi) Contractor shall nominate /authorize senior experienced person separately in writing as site in charge to co-ordinate with GIPCL engineer for operation and housekeeping of 8 nos. of weighbridges installed at Plant side and 5 nos. of weighbridges installed at Valia Mine site and who shall bear overall responsibility for performance of the contract. Such persons shall remain always available at site or site office allotted to the contractor at SLPP site. Contractor has to submit the authority letter and documentary proof for the same.
- (vii) The Contractor shall appoint a supervisor who shall co-ordinate with GIPCL's Engineer In - Charge for daily entrusted job for operation and housekeeping of 8 nos. of weighbridges installed at Plant side and 5 nos. of weighbridges installed at Valia Mine site. They have to maintain daily records duly signed for the works carried out and duly certified by Engineer-In-Charge. The Contractor in co-ordination with the Engineer-In-Charge shall ensure the availability of adequate manpower to carry out the job satisfactorily on a daily basis. As per the instruction of Engineer-In-Charge they have to allot the work and execute the same in specified time limit.
- (viii) During execution of the works, one or more weighbridges may be required to be done simultaneously and the Contractor shall mobilize additional resources accordingly.
- (ix) During emergency or similar situations, the Contractor shall be required to mobilize resources as per need within the period of 08 hours as directed by GIPCL. If the contractor fails to mobilize sufficient manpower to complete the job in time, GIPCL will execute the job through other agency at the risk and cost of the contractor with 10% supervision charges, plus applicable GST, as per extant GST Laws & the same will be recovered from the Contractor's bill.
- (x) **Important Note: Whenever any one or more weighbridges remains under breakdowns due to any reason, the contractor shall mobilize sufficient work force at site within a period of four hours from the time of intimation to the site-in-charge or via mail to your office. Generation loss occurred due to want of manpower as well as resources will be viewed very seriously and will invite appropriate punitive measures as decided by competent authority.**
- (xi) During working the workman must wear a suitable, safety shoes, safety hand gloves, goggles and Ear plug / Ear muff. It is the contractor's/supervisor's responsibility to ensure it without fail.
- (xii) During unit major break down of weighbridges, the contractor has to enhance the site manpower as per the requirement to ensure the timely completion of work. For

this, enhanced work shall be completed by deploying additional manpower. Payment will be made on item rate basis only. Contractor should mobilize sufficient number of manpower and execute the work in all shifts with independent manpower. Contractor should not continue the same manpower for more than 12 hours.

B : TOOLS & TACKLES:

- (i) All tools and tackles required to execute the contract are in the scope of the contractor. The contractor should ensure that tools and tackles are in healthy & working condition.
Note: If work is suffered due to want of sufficient manpower, tools & tackles, equipment and/or other statutory requirements then 25% of the total job cost plus applicable GST, as per extant GST Laws will be levied as a penalty for each and every instance.
- (ii) For proper execution of the work as per the scope, the contractor is required to maintain sufficient quantity of tools & tackles are in good working condition at site as per day to day work load and emergency situations to complete the work in stipulated time.
- (iii) In case of breakdown of supplied equipments, the contractor should work round the clock for putting back the area in service immediately within minimum time. In case of any emergency arising during night hours the contractor should be in a position to mobilize the manpower immediately within minimum time.
- (iv) Arrangement for lighting at the work spot has to be made by the GIPCL.

For any accident take place & any damage to the equipment and/or injury to human due to carelessness in loose connection, contractors will be held responsible & liable for any recovery/actions.

19. Clarification of Bidding Documents

If any Bidder requires any further information or clarification in the Bidding Documents, may notify the Company before one week of last date of submission of online Bid, in writing at GIPCL's address or by E-mail at the GIPCL's e-mail address cgmmines@gipcl.com & manipane@gipcl.com as indicated above in the 'Invitation to Bids'. The GIPCL's response (including an explanation of the query) will be sent in writing or by E-mail to all prospective Bidders who have received the Bidding Documents.

20. TIME SCHEDULE

The basic considerations and the essence of the 'Contract' shall be the strict adherence to the time schedule for performing the specified 'Works'.

21. UNDERSTANDING AND CLARIFICATION ON DOCUMENTS AND SPECIFICATION

The Bidder is required to carefully examine the specifications and documents, all the conditions and matters work wise & cost wise. If any Bidder finds any discrepancies or omissions in the specifications and documents or is in doubt for any meaning of any part, he shall request in writing for an interpretation/ clarification to the GIPCL.

All such interpretations and clarifications shall form a part of the Bid documents.

22. PAYMENTS

All the payments against the work order shall be in Indian currency and payable through cheque/RTGS only.

23. POINTS TO BE CONSIDERED DURING QUOTING ONLINE PRICE BID

- a. The schedule of rates shall be read in conjunction with Instructions to Bidders, General conditions of contract, Special conditions of contract and Technical specifications.
- b. The quantities given in the schedule of rates are estimated and will be made as per actual work carried out as per the rates of work order.
- c. The method of measurement of completed work for payment shall be in accordance with the method of measurement specified in the tender.
- d. No separate amount shall be payable for use of auxiliary equipment incidental to or in day to day operation in the course of fulfillment of contractual obligation of the supplier.

Note: Interested bidders are requested to submit the online tender at least two days in advance from the due date set for on line submission of bid in order to avoid non participation of e-tender due to probable problem in e-tender system

26. QUANTITIES

The quantities specified are estimated and for tendering purpose only. Payment will be made, based on actual work done as certified by Engineer-in-charge of GIPCL.

Quantities of individual items may be revised during the course of contract period based on site requirement. Contractor shall not be entitled for any compensation on ground of such alteration in scope of work. GIPCL reserves the right to operate or increase/decrease quantities in each item or omit any item included in Schedule of Quantity at his discretion. Contractor shall have no claim, whatsoever, on grounds of loss of anticipated profit etc. on account of the same.

After commencement of the work, GIPCL, for any reason may not require to be carried out the whole/part of the work as specified in the tender, the ENGINEER-in-charge shall inform the fact for thereof to the CONTRACTOR and contractor shall have no claim for any payment or compensation whatsoever on account of any profit or advantage which he might have derived from the execution of the work in full but which he did not derive in consequence of the full amount of the work not having been carried out nor shall he have any claim for compensation by reason of any change having been made in the original specifications and instructions which shall involve any curtailment of the work as originally contemplated.

SECTION-C

GENERAL CONDITIONS OF CONTRACT

1. CONTRACT SECURITY DEPOSIT/ PERFORMANCE BANK GUARANTEE

As a Contract Security, the successful Bidder, to whom the work is awarded, shall be required to furnish a Performance Bank Guarantee (PBG)/Contract security deposit in favour of Gujarat Industries Power Company Limited for guarantee amount at ten percent (10%) of the "Annual Contract Price" Price" (excluding GST) from all Nationalized Banks or Axis Bank, ICICI Bank, HDFC Bank, Kotak Mahindra Bank, IndusInd Bank, Federal Bank, Bandhan Bank, IDBI Bank and Karur Vysya Bank in the format attached in SECTION-F, and it shall guarantee the faithful performance of the 'Contract' in accordance with the terms and conditions specified in these documents and specifications. Contract security deposit shall be submitted strictly within twenty-one days from the date of Lol or work order, whichever is earlier. The PBG/ Security Deposit shall be valid up to retention period of twelve months after the contract completion/expiry date. The Contract security/Guarantee amount shall be payable to the Company in Bidder's home currency without any condition whatsoever.

GIPCL reserves the right to forfeit Performance Bank Guarantee (PBG)/Contract security deposit.

The Performance Bank Guarantee (initial security deposit) will be returned to the Vendor/Contractor without any interest at the end of the 'Guarantee Period' after completion of contract and on fulfilling contractual obligations throughout the retention period. However, any delay in submission of initial SD will result in equivalent late release of entire SD after guarantee period.

Bid security/EMD should be refunded to the successful bidder on receipt of Performance Security.

2. RECOVERY CLAUSE

- (i) In case of any damage of equipment/machinery due to negligence of contractor or any other reasons attributed to contractor the decision of Engineer-in-charge regarding the amount of recovery shall be final and binding subject to a maximum of 10% of contract value, plus applicable GST, as per extant GST Laws. Recovery will be affected from the monthly bills and/or retention money/security deposit.
- (ii) If the contractor fails to execute the work as per directions of Engineer (I/c) within the time frame given in work order and as per day to day instructions by Engineer-in-charge, GIPCL shall get the work done by third party at the risk & cost of the contractor with 10% additional overhead charges of GIPCL, plus applicable GST, as per extant GST Laws.

3. DEDUCTIONS FROM CONTRACT PRICE

All costs, charges or expenses that GIPCL may have paid, for which, under the contract the contractor is liable, shall be recovered by the GIPCL. The contractor shall

pay all such claims within 15 days of claim failing which the same shall be deducted from the bills of contractor.

4. TERMINATION OF CONTRACT BY GIPCL

Contractor shall be responsible to complete the jobs within agreed time schedule and in case contractor fail to complete the job, GIPCL shall recover from his bill, Security Deposit and / or whatsoever for expenses incurred to complete the job with additional **10%** overhead charges, plus applicable GST, as per extant GST Laws.

In case if contractor's services are not found satisfactory with respect to mobilization, time bound completion of work, workmanship & safety (OHSAS policy of GIPCL) then GIPCL has right to terminate the contract at any time by giving him 15 days advance notice without assigning any reason and will make the alternate arrangement at the risk & cost of contractor.

GIPCL may terminate the contract after due recoveries of pending jobs/damages after giving 15 days advance notice to the contractor if any of the following events occur –

- i. Contractor is adjudged as insolvent.
- ii. Contractor has abandoned the contract.
- iii. Contractor fails to proceed with the work with due diligence as per requirements of the contract.
- iv. Contractor has neglected or failed persistently to observe or perform any of the acts, matters or things, which as per the contract are to be observed and performed by the contractor.
- v. Contractor repetitively violating the safety norms for more than three incidents.
- vi. Any major contradiction of applicable labour laws.
- vii. Any major deviations from contractual terms and conditions including quality of job.
- viii. GIPCL reserves the right to terminate the contract without giving any reason whatsoever and forfeit the PBG

5. FAILURE & TERMINATION

If the CONTRACTOR after receipt of written notice from the GIPCL/ ENGINEER requiring compliance, with such further drawings and / or the GIPCL /ENGINEER instructions fails within seven days to comply with the same, the GIPCL /ENGINEER may employ and pay other agencies to execute any such work whatsoever as may be necessary to give effect thereto and all costs incurred in connection therewith shall be recoverable from the CONTRACTOR by the GIPCL on a certificate by the GIPCL/ENGINEER as a debt or may be deducted by him from any money due or to become due to the CONTRACTOR.

If the contractor fails to execute the work or fails to mobilize the resources and equipments as per directions of GIPCL / ENGINEER within the time frame given and/or violating the GIPCL's safety rules & regulations, ENGINEER/ GIPCL shall get the work done by third party at the risk & cost of the CONTRACTOR with additional **10%** overhead charges of GIPCL, plus applicable GST, as per extant GST Laws and all costs incurred in connection therewith shall be recoverable from the CONTRACTOR by the GIPCL /ENGINEER as a debt or may be deducted by him from any money due or to become due to the CONTRACTOR.

In case if contractor's services are not found satisfactory with respect to mobilization, time bound material evacuation, workmanship & safety (OHSAS policy of GIPCL) then

GIPCL has rights to terminate the contract at any time by giving you 15 days advance notice without assigning any reason and will make the alternate arrangement at cost and risk of the Contractor.

6. SETTLEMENT OF DISPUTES

- a. Any disputes or difference of opinion between parties arising out of the contract to the extent possible shall be settled amicably between the parties. If amicable settlement cannot be reached all the disputed issues shall be resolved through arbitration before a Sole Arbitrator appointed by Managing Director, GIPCL according to the provisions of The Arbitration and Conciliation (Amendment) Act, 2019. The place of arbitration shall be at Surat/Vadodara or any other place within state of Gujarat as may be mutually agreed by the parties in consultation with the tribunal.
- b. In appointment of the Sole Arbitrator, if the dispute claim is up to a sum of Rs. 25/- Lac, a person having a position equivalent to a Retired District Judge shall be appointed; for the claim higher than Rs. 25/- Lac and up to Rs. 100/- Lac, the same shall be referred to a Retired High Court Judge and for a claim exceeding Rs. 100/- Lac, the same shall be referred to a Retired Supreme Court Judge.
- c. Work under the contract shall be continued by the contractor during arbitration proceedings unless GIPCL shall order suspension thereof or any part thereof in writing or unless the matter in such work cannot possibly be continued unless the decision of the Arbitration proceedings is obtained.

7. INTERPRETATION OF CLAUSE

In case of disputes as regards interpretation of any of the clauses or specification, the decision of Head of Management (HOM)-GIPCL will be final and binding on the contractor.

8. EMPLOYEE'S COMPENSATION INSURANCE

Contractor shall take all risk Insurance Policy to cover all his workmen/employees, staff applicable under the Employee Compensation Act 1923 or any amendment thereof from time to time as also insurance cover for third party liability. The contractor shall keep the GIPCL indemnified from all liabilities arising out of his action in pursuance of this contract. The E. C. 		Unsafe working practices at height more than 3 meters	
		Working without permit or non-compliance with permit conditions like hot work, height work etc. as applicable, lifting tools and tackles being used without third party inspection certificates in form no. 9/10 as per Factory Act – 1948 etc..	
C	Unsafe Practices	Breach of safe practices by a particular person repeatedly for three times.	Suspend the entry gate pass for one week. After two suspensions his gate pass will be cancelled.

Penalty so levied against the contractors and company employees will be used during the observation of National Safety Day.

The contractor, workmen following good safety practices in their work area continuously will be rewarded / honoured on National safety day.

16. **REJECTION OF WORK:**

If, as a result of inspection, examination or testing, the GIPCL's Representative/Engineer decides that any materials, work or workmanship is defective or otherwise not in accordance with the Contract, the GIPCL/Engineer/ GIPCL's Representative may reject such plant, materials, work or workmanship and shall notify the CONTRACTOR promptly, stating his reasons. The CONTRACTOR shall then promptly make good the defect and ensure that the rejected item complies

with the Contract. If Contractor failed to rectify the rejected work or workmanship, GIPCL/Engineer reserves the right to deduct or withhold amount against rejected work or Workmanship. CONTRACTOR shall not entitle for any claim or release of hold payment until rectify the defect up to satisfactory of GIPCL. If Contractor failed to rectify any such defective work or workmanship, GIPCL reserve the right to rectify at risk and cost of the CONTRACTOR and deducted by the GIPCL from any amount due, or to become due, to the CONTRACTOR's dues.

If the GIPCL/Engineer/GIPCL's Representative requires such materials, work or workmanship to be retested, the tests shall be repeated under the same terms and conditions. If such rejection and retesting cause the GIPCL additional costs for the traveling and lodging costs of GIPCL/Engineer's personal for attending the retest, such costs shall be recoverable from the CONTRACTOR by the GIPCL and may be deducted by the GIPCL from any amount due, or to become due, to the CONTRACTOR.

17. GENERAL TERMS AND CONDITIONS:

- a. All tools & tackles, labours, equipments, vehicles, tractors, etc... to execute the contract are in the scope of the contractor. The contractor should ensure that tools& equipments are in healthy condition.
- b. The decision of the Engineer-in-charge shall be final and binding on the contractor for defining the terms and condition included in this contract.
- c. If the work is not found satisfactory, Engineer-in-charge reserves the right to take suitable action.
- d. Contractor shall depute Location/Package wise full time independent experienced site-in-charge and two nos. of independent site supervisors (each at Phase-1 Boilers and Phase-2 Boilers) at site. They shall co-ordinate with GIPCL engineer and shall bear overall responsibility of contract including joint measurement, billing etc. Such person shall function from site office of contractor at SLPP.
- e. Contractor shall also nominate one safety supervisor at site and shall submit nomination of safety supervisor in writing before commencement of contract. Safety supervisor shall arrange small safety talk on every day morning or whenever required with all workers working under this contract. He shall coordinate with concern department's Engineer-in-charge on daily basis and report daily observations, tool-box talk records etc. The work shall not be allowed without deploying safety supervisor and a penalty equal to Rs. 1,000/- per day absent of safety supervisor shall be levied from Contractor.
- f. Contractor shall strictly follow the existing work permit system of the GIPCL and any future revisions.
- g. The contractor has to take EC insurance policy for their workmen. The contractor has to submit labor license and PF account number to the Engineer-in-charge before start the work.
- h. The contractor has to do the job timely. GIPCL shall not compromise in delay. In case of delay of work without any valid reason, the GIPCL reserves the rights to carry out the work by deploying other agencies at the risk & cost of contractor with additional 10% overhead charges, plus applicable GST, as per extant GST Laws.
- i. Contractor shall mobilize the resources as per need within the period of four hours. If the contractor fails to mobilize sufficient resources to complete the job in time, GIPCL will execute the job through other agency at the risk and cost of the contractor with additional 10% overhead charges, plus applicable GST, as per extant GST Laws.
- j. Contractor should mobilize all resources for efficient & smooth execution of contract within seven days from the date of issue of Letter of Intent/Work Order.

- k. The prices / item rates quoted shall remain firm till completion of the contract and any agreed extensions thereafter and shall not be subject to any escalation, idle charges for labor, machinery, overhead expenses etc... due to any reason whatsoever. No price escalation / idle charges shall be entertained due to delay in work on unavailability of work front, non-issue of work permit, holding of work permit for any reason, unavailability of contractor's supervisor, unavailability of contractor's safety supervisor, violation of safety rules, unsafe act by any of contractor's worker, negligence & ignorance of safety & quality instructions of GIPCL Engineer-in-charge or any other reason whatsoever.
- l. Contractor must fulfill all the safety regulations and to take safety measures to avoid hazards. Contractor shall arrange all standard adequate healthy safety PPEs like but not limited to approved quality safety shoes & safety helmets, standard dust masks, safety goggles, etc... as required and shall use exclusively under this contract for all the time during working at specified locations failing which, the Engineer-in-charge may hold the work and will take necessary action including penalty as decided. If the contractor repeatedly violates safety rules/regulations (more than three successive incidents), Engineer-in-charge may take necessary action against the contractor, including appropriate financial penalty (Maximum of Rs. 1,000/- per incident per man-day and as per clause no.12) and/or termination of contract.
- m. One or more jobs may be required to be done simultaneously and contractor shall mobilize additional resources accordingly.
- n. Timely completion of all jobs and works shall be the essence of this Contract. Contractor should closely monitor each activities and complete the jobs as per the time given by and under the supervision of the Engineer-In-charge and shall ensure that sufficient manpower is deployed for the same.
- o. The contractor has to complete the works as per the planning schedule and their respective supervisor has to interact with Engineer In Charge for PTW (Permit to work), work instruction, Return of permit.
- p. The contractor has to submit daily reports showing work carried out with details of available manpower, tractors etc.
- q. Any job other than the listed jobs in work order shall be executed by the contractor on instruction from GIPCL and payment shall be made to the contractor on respective item rate only.
- r. The Government of India has enacted the Micro, Small and Medium Enterprises Development Act, 2006 (the "Act") and the Act has come into force from October 2, 2006. The Bidder shall confirm whether your organization is registered under the Micro, Small and Medium Enterprises Development Act, 2006. If your organization is registered under the Act, please specify the category i.e., Micro Enterprise, Small Enterprise or Medium Enterprise under which it is registered and kindly attach a copy of your registration certificate.
- s. The Bidder shall provide details of registration along with copy of the registration certificate issued by the District Industries Centre/Department of Industries, etc of the respective State Government. It is to be noted that large scale industries and trading firms have been excluded from the purview of the Act.
- t. GIPCL is an ISO 9001, ISO 14001, OHSAS 18001 & ISO 50001:2011 (EnMS) certified company, and GIPCL gives extreme importance to maintain these global standards. Contractor shall be required to observe these standards while working with GIPCL. Contractor should ensure that his workmen/labour work in accordance with them.
- u. All laws, rules, regulations, notifications, etc. stated in this tender document shall be applicable as amended from time to time. Where applicable self-certified true copies of the required documents to be furnished, unless explicitly stated otherwise.

18. CONTRACTOR'S SUPERVISION

The contractor shall, during the whole time the work is in progress, employ a qualified experienced site-in-charge of the works with adequate experience in handling of jobs of this nature and with the prior approval of the GIPCL / ENGINEER. Such in-charge shall be constantly in attendance at the site during working hours. During CONTRACTOR'S supervisory engineer absence during working hours, if unavoidable, and also beyond working hours, when it may be necessary to give directions, orders may be given by the ENGINEER / GIPCL and shall be received and obeyed by the CONTRACTOR'S superintendent or Foreman who may have charge of the particular part of the work in reference to which orders are given. If requested to do so, the ENGINEER /GIPCL shall confirm such orders in writing. Any directions, instructions or notices given by the ENGINEER / GIPCL to him, shall be deemed to have been given to the CONTRACTOR. The representative of the CONTRACTOR shall have all necessary powers to receive materials from the GIPCL, issue valid receipts for the same, engage labour or purchase materials and proceed with the work as required for speedy execution.

None of the CONTRACTOR'S Superintendents, engineers, supervisors or labour should be withdrawn from the work without due notice being given to the GIPCL / ENGINEER; further no such withdrawals shall be made if in the opinion of the GIPCL / ENGINEER such withdrawals will jeopardize the required pace of progress / successful completion of the work.

The CONTRACTOR shall employ in or about execution of the work only such persons as area careful, skilled and experienced in their respective trades, and the GIPCL shall be at liberty to object to and require the CONTRACTOR to remove any person employed by the CONTRACTOR in or about execution of works who in the opinion of the ENGINEER misconducts himself or is incompetent or negligent in the proper performance of his duties and all such persons shall not again be employed upon the works without the prior permission of the GIPCL.

Neither the CONTRACTOR and the PURCHASER nor the ENGINEER shall hire or employ any employee of the other party except by mutual consent.

19. CONTRACTOR TO REMOVE ALL OFFENSIVE MATTER IMMEDIATELY AND CLEAN-UP.

All loose materials, wastage, packing materials, cut pieces or other matter of an offensive nature shall not be deposited on the surface, but shall at once be carted away by the CONTRACTOR to some pit or place provided by him away from the site of work and approved by local authorities.

As a part of the work included in this contract, the CONTRACTOR shall completely remove and satisfactorily dispose of all temporary works to the extent directed. He shall tear down and dispose of all temporary works, shall remove or grade, to the extent directed, all plant and equipment, shall satisfactorily dispose off all rubbish resulting from the operations under this contract and shall do all work necessary to restore the territory embraced within the site of his operations to at least as good order and conditions as at the beginning of the work under this contract.

20. FACILITIES TO BE PROVIDED BY GIPCL

GIPCL will provide the following facilities to the Contractor.

- (a) Power supply & housekeeping items free of cost.
- (b) Operating Systems (computers and its accessories)/ Software/ Hardware / Hardware support etc.
- (c) In case repair/ replacement/ rectification of structural items like I-beam, M.S. plates etc required at weighbridges, the same shall be carried out by the GIPCL.
- (d) The weighbridges system material like load cells, weighment indicator etc. shall be provided & replaced by GIPCL for weighbridges.
- (e) In case of problem, repair/ replacement/ rectification of weighbridges software, weighing console and connected components like computer, printer, UPS, cables, junction boxes etc. at both end shall be carried out by GIPCL at the earliest.
- (f) GIPCL shall organize short term training programs for weighbridges operators/ supervisors regarding operation of weighbridges software. After completion of training, contractor shall deploy their manpower for weighbridges operations. Apart from the above, no other facilities shall be provided by GIPCL.
- (g) GIPCL shall also conduct an orientation program appraising the workmen regarding the safety norms and measures to be observed during work operations at the plant site.
- (h) GIPCL may provide accommodation to Bidder engineer & workman subject to availability on chargeable basis in Narmada Guest House. Food in the industrial canteen / Narmada Guest House shall also be provided on chargeable basis. In case of non-availability of the same, bidder to arrange for the same at his own cost.
- (i) First aid medical facility as available shall be provided at GIPCL's OHC at nominal cost as applicable. In case of non-availability of the same, bidder to arrange for the same at his own cost.

Apart from the above, no other facilities shall be provided by GIPCL.

- B.** GIPCL shall also conduct an orientation program appraising the Employee regarding the safety norms and measures to be observed during work operations at the plant site.

21. WORK MEASUREMENT/CERTIFICATION

- a. The work to be performed being a specialized nature, the contractor should be fully conversant with modern practices and should be able to carry out works of weighbridges, independently of large opencast lignite Mines/thermal power plant. The contractor shall therefore be required to engage qualified/ experienced personnel to undertake the work as per specifications and requirement.
- b. Contractor should maintain daily/monthly records as per instruction of Engineer
- c. The Contractor shall be required to furnish satisfactory job completion report to GIPCL. The submission of report should be on monthly basis, the monthly bill payment shall be released based on the certified reports of the works.
- d. Inspection of work will be done by Engineer in Charge or his authorized representative. If the work is not found satisfactory engineer in charge reserves the right to take suitable action and shall be binding to the contractor.

22. PUBLIC HOLIDAYS

The Contractor shall be responsible for giving benefit to all his employees, employed in whatsoever capacity, 09 Public/Paid holidays and the same shall be notified in advance and due communication thereof shall be made to the Management.

23. BENEFIT PAYABLE IN CASE OF ACCIDENT OCCURRING OUTSIDE PREMISES OR BEYOND THE COURSE OF EMPLOYMENT

The Contractor shall provide an insurance coverage (Medical + Death Benefit) for sum of Rs. 01/-Lakh to all his workmen/labour deployed at GIPCL-SLPP site for the accident taking place anywhere outside the Company premises or at any place when the workman is not in course of his employment.

24. FORCE MAJEURE

The performance of the obligations herein contemplated may be suspended without incurring the penalty in the event of the subsistence of Force Majeure conditions.

If a Force Majeure situation arises, the affected Party shall promptly notify the other Party in writing of such conditions and the performance shall be suspended as per mutual agreement.

For the purposes of this clause, 'Force Majeure' means an event beyond the control of the Party and not foreseeable by the Party and shall include events of floods, explosions, riots, wars, hurricane, epidemics, any other Act of God, quarantine restrictions, terrorism, government actions and provided always that such acts result in the impossibility of the further performance of the contract.

25. INDEMNITY

The Contractor shall indemnify and keep harmless GIPCL from and against all actions, proceedings, claims, demands, losses, costs, damages and expenses whatsoever which may be brought against or suffered by GIPCL which it may sustain, pay or incur as a result of or in connection with the performance/ purported performance/ non-performance of the contract by the Contractor.

In case, in any litigation pertaining to labour employed through contractor if any direction or order is issued by court at any point of time the contractor shall comply with and implement such direction or order whether passed at the time of award of contract or during the pendency of contract. Further, the Contractor shall indemnify the GIPCL against all consequences arising and affecting GIPCL owing to the compliance of the orders by the Contractor.

26. GOVERNING LAW AND JURISDICTION

This tender document and contract shall be governed by the laws of India and the Courts at Surat shall have jurisdiction regarding the same.

27. Where any portion of the General Condition of Contract is repugnant to or at variance with any provisions of the Special Condition of Contract, then unless a different intention appears, the provision of the Special Conditions of Contract shall prevail to the extent of such repugnancy of variance.

SECTION-D SPECIAL CONDITIONS OF CONTRACT

1. DETAIL SCOPE OF WORK

The scope of work covers providing a “Biennial Rate Contract” for the operation, maintenance and housekeeping of a maximum of 08 (Eight) weighbridges installed at the Plant Site and a maximum of 05 (Five) weighbridges installed at Valia Mine Site of GIPCL-SLPP.

The successful bidder shall provide suitably qualified and experienced contractual manpower, including Semi-Skilled personnel for operation of the weighbridges and Unskilled personnel for housekeeping of the weighbridges, as per the actual requirement of GIPCL.

For the weighbridges at the Plant Site, the Contractor shall comply with the prevailing State Government labour laws, rules, regulations, orders and notifications, as applicable from time to time.

For the weighbridges at Valia Mine Site, the Contractor shall comply with the prevailing Central Government labour laws, rules, regulations, orders and notifications, as applicable from time to time.

The Contractor shall also comply with all other requirements specified under Clause No. 2.0 of Section-B, which shall form an integral part of the Scope of Work.

1.1 SPECIFIC REQUIREMENT

A. Plant site 08 nos. of weighbridges.

The scope of the work covers providing “Biennial Rate Contract for operation and housekeeping of maximum 08 (Eight) no. pit less electronic weighbridges having 80T capacity” for the year 2027 & 2028.

The successful bidder shall provide contractual qualified and experienced workmen, Semi-Skilled category for operation and Un-Skilled category for housekeeping of maximum 8 (Eight) nos. weighbridges installed at plant site as per State Government labour laws & regulations, for round the clock work basis.

The detailed scope of work is mention below.

1. The propose contract is for providing services for operation and housekeeping of electronic pit less 80T capacity weighbridges installed at GIPCL, Surat Lignite Power Plant (SLPP) site of GIPCL.
2. The Contractor shall operate and maintain all weighbridge equipment in good and proper working condition. The Contractor shall also be responsible for the daily cleaning of each weighbridge operator’s cabin, weighbridge platform, computer and its accessories, and RFID installation at each weighbridge.
3. Gujarat Industries Power Company Limited annual requires tentative quantity of about 37.10 Lacs Tonnes / year of Lignite/lime stone/ other materials (like but not limited to rubble stones, bitumen, etc...) for 4x125 MW power plants installed at Surat Lignite Power Plant at Nani Naroli, Tal: Mangrol Dist. Surat.

The average requirements of Surat Lignite Power Plants (SLPP) are about 3.7 Lakh tonne of Lignite/lime stone/outside mineral on monthly basis. It may go up to about 4.50 Lacs tonne of Lignite/ limestone/outside mineral on monthly basis from January to July to build up the stocks for the monsoon purpose.

4. The above quantities are **tentative and indicative only** and may vary depending upon the actual operational requirements, electricity generation programme, availability of materials, stock position, transportation conditions and other relevant factors. Accordingly, GIPCL does not guarantee of any minimum or fixed quantity under the proposed arrangement.
5. The Contractor shall make necessary arrangements for the weighment of lignite, limestone and outside minerals at the Power Plant, as per the requirements of GIPCL, which may vary from time to time. The Contractor shall have no objection to such variation and shall accordingly not be entitled to any additional compensation, claim or indemnity on account of any increase or decrease in the quantity of such materials to be weighed or in the operation and housekeeping of the 08 Nos. of weighbridges. Further, GIPCL reserves the right to increase or decrease the monthly weighment quantity during any operating month. The Contractor shall comply with such revised requirement without any additional claim or compensation.
6. The Contractor shall operate and maintain up to a maximum of 08 (Eight) weighbridges at the Plant Site, as required by GIPCL, in all three shifts on a round-the-clock basis throughout the year during 2027 and 2028. The Contractor shall deploy adequate and competent manpower to ensure uninterrupted operation and maintenance of the weighbridges in all shifts.
7. Contractor shall be responsible for maintaining the mines, mineral and supplier wise, day to day records of the weighbridges and e.g. Weighment slips & royalty pass etc. further contractor bind the documents in book form. For binding work, mines & other outside agency wise slips as well as mineral wise shall be bind (i.e. bonded with stitching) in to a book form and preserved suitably, as directed by the GIPCL official.
8. The scope of work includes providing and maintaining the 01 No. of vacuum cleaner at both ends to keep the weighbridges and operator's cabin dust free during the entire contract period under the supervision of GIPCL official. The vacuum cleaner should have the minimum 3.5 Litres dust carrying capacity of Dyson/Eureka Forbes/Bosch/Phillips make only.
9. The normal weighbridge operation period in a year shall be approximately 10 months (i.e. from October to July), as the production and transportation activities of GIPCL's captive mines are generally discontinued during the peak monsoon period of August and September. Accordingly, during this period, the regular operation and housekeeping of the weighbridges may also remain discontinued.

However, if required and subject to site conditions, GIPCL may operate the minimum required number of weighbridges, up to 03 (Three) Nos., during the monsoon period for weighment of lignite, limestone, outside minerals or other materials.

The Contractor shall also make necessary arrangements for weighment of other materials, such as imported coal, rubble stones, etc., during the monsoon period, as and when required by GIPCL. During such period, the Contractor shall deploy the required number of weighbridge operators and other necessary manpower based on the actual requirement of weighment. The Contractor shall not be entitled to any additional compensation on account of variation in the number of weighbridges operated or the quantity of material weighed during the monsoon period.

10. The Contractor shall permit weighment only of those vehicles/dumpers that are duly authorized by GIPCL. No unauthorized vehicle/dumper shall be permitted for weighment without prior approval of the designated GIPCL official.
11. After completion of weighment, the generation, preparation and issuance of invoices, online and/or otherwise, royalty passes and other relevant documents for the authorized dumpers/vehicles of GIPCL Captive Mines and other agencies authorized by GIPCL shall be within the scope of the Contractor.
12. The Contractor's workmen shall be responsible for the generation, signing and issuance of weighment slips to the authorized dumpers/trucks from GIPCL Captive Mines and other outside agencies authorized by GIPCL, after completion of the weighment process. The weighment slips shall be generated accurately and issued promptly in accordance with the prescribed GIPCL procedure and instructions of the designated GIPCL official.
13. The Contractor shall be responsible for the complete operation and handling of the weighbridge system, including computers, printers, UPS systems, RFID readers and other associated accessories/equipment required for the proper functioning of the weighbridges. The Contractor shall operate and maintain the required number of weighbridges at the plant site end on a round-the-clock (24 × 7) basis, as per the operational requirements of GIPCL. However, operation & housekeeping of actual number of weighbridges may vary depending upon actual power plant requirement.
14. During the contract period, if required due to operational, administrative or other requirements of GIPCL, the location of any weighbridge may be shifted/reinstalled at a new location within the GIPCL premises or at any other location as directed by GIPCL. The Contractor shall provide the required operational and housekeeping services at the relocated weighbridge as per the instructions of the designated GIPCL official.
15. The Contractor shall ensure that the vacuum cleaners remain in proper working condition throughout the contract period. In case of breakdown or malfunction, the Contractor shall arrange for immediate repair or replacement with a suitable vacuum cleaner meeting the specified requirements, at no additional cost to GIPCL.
16. The Contractor shall be responsible for cleaning each weighbridge platform and its ramps, RFID readers, lights and associated equipment at regular intervals to prevent the accumulation of mud, dust and other debris and to ensure proper and uninterrupted functioning of the weighbridge system throughout the contract period. The cleaning shall be carried out as frequently as required, or as directed by the designated GIPCL official.
17. The Successful bidder shall deploy their weighbridges operators having minimum qualification 12th / Higher secondary examination pass and also should have at least two/three years experience of operation of computerized weighbridges OR at least three months computer course certificate.
18. The successful bidder shall deploy semi-skilled workmen for weighbridges operation and unskilled workmen for housekeeping and book binding work.
19. The successful bidder shall organize training of their manpower, to be deployed in the weighbridge's operation & housekeeping, after receipt of the authorization letter and before commencement of the work, under the provision of MVTR, at GIPCL's own Vocational Training center.
20. The bid submitted by the contractor not covering the total scope of work and services as detailed out in the tender document shall be liable for rejection.

B. Valia Mine site 05 nos. of weighbridges.

The scope of the work covers providing “Biennial Rate Contract for operation and housekeeping of maximum 05 (Five) no. pit less electronic weighbridges having 80T capacity” for the year 2025-26.

The successful bidder shall provide contractual qualified and experienced workmen, Semi-Skilled category for operation and Un-Skilled category for housekeeping of maximum 5 (Five) nos. weighbridges installed at Valia Mine site as per Central Government labour laws & regulations, for round the clock work basis as per prevailing central government labour laws, rules & regulation, Order and Notifications etc., for round the clock work basis. The detailed scope of work is mention below.

21. The propose contract is to providing services for operation of electronic pit less 80T capacity weighbridges installed at Valia Mine Site of GIPCL-SLPP.
22. The contractor shall have to operate and maintain weighbridges equipment in good/healthy operating conditions and also undertake daily cleaning of each of the weighbridges operator's cabin including the platform of weigh bridges, computer's accessories and RFID installation at each weighbridge, rest shelter and surrounding area.
23. Gujarat Industries Power Company Limited annually requires tentative quantity of about 31.00 Lacs Tonnes / year of Lignite for 4x125 MW power plants installed at Surat Lignite Power Plant at Nani Naroli, Tal: Mangrol Dist. Surat. The average requirements of Surat Lignite Power Plants (SLPP) are about 3.50 Lakh tonne of Lignite on monthly basis from January to July to build up the stocks for the monsoon purpose. Although maximum requirement may be up to 4.50 lakh/month from March to April.
24. The quantity of Lignite weighment is mentioned here are only indicative/ estimated figures. As this is a captive lignite mine for Surat Lignite Power Plant, the actual quantity of Lignite will depend solely on the actual requirement of the power plant after considering Lignite availability from Valia Mine. GIPCL shall have sole discretion as to the requirement of Lignite for generation of electricity from time to time. The Contractor shall make necessary arrangement as per the requirement of Lignite at the Power Plant which requirement may vary from time to time, to which the Contractor shall not have any objection.
25. Accordingly, the contractor shall not be entitled to any compensation or indemnity on account of increase or decrease in the quantity of Lignite weighment and operation of nos. of weighbridges. Further GIPCL reserves the right to increase/decrease the monthly weighment quantity in an operating month by giving at least a 07 days prior notice in writing.
26. Contractor shall have to operate about maximum 05 (Five) numbers of weighbridges in all the three (3) shifts, round the clock for the year 2027 & 2028 at Valia Mine site by providing Semi-skilled category workers. Contractor shall have also provided unskilled category workers in General shift & Shift- The requirement of total numbers of weighbridges operations is strictly as per GIPCL requirement.
27. In a year, actual weighbridge operation period is 9 to 10 months only (i.e. October to July) because, it is observed that, during peak monsoon period (i.e. August to September) the captive mines production remains discontinued and weighbridges operations works also remains discontinued.
28. Contractor shall be responsible for operation & housekeeping of mines wise day to day records of the weighbridges e.g. Weighment slips & royalty pass etc. further contractor bind the documents in book form.

- For binding work, mines & other outside agency wise slips as well as mineral wise shall be bind (i.e. bonded with stitching) in to a book form and preserved suitably, as directed by the GIPCL official.
29. The scope of work includes providing and maintaining the 01 No. of vacuum cleaner at Valia Mine site to keep the weighbridges and operator's cabin dust free during the entire contract period under the supervision of GIPCL official. The vacuum cleaner should have the minimum 3.5 Litters dust carrying capacity of Eureka Forbes/Bosch/Phillips makes only.
 30. The Contractor shall also provide and maintain 01 No. of easy clean plus vacuum cleaner of Eureka Forbes/Bosch/Phillips make in healthy operating condition during the entire contract period at Valia Mine site for the cleaning of weighbridge's computer accessories at regular interval to prevent the dust as per directive of GIPCL official.
 31. The contractor shall have to clean the each weighbridges platform & its ramps, RFID readers & lights on regular interval to prevent mud and dust.
 32. The contractor shall allow weighment of only the vehicles/dumpers authorized by GIPCL.
 33. After weighment, the generation and issuance of invoice, online/otherwise royalty passes etc to the authorized weighed dumpers of Valia Mines authorized by GIPCL shall be in the scope of contractor.
 34. The contractor's workmen shall generate, sign and issue weighment slip to the authorized weighed dumpers/trucks from Valia authorized by GIPCL.
 35. The complete operation of weighbridges system includes computers; printers, UPS, RFID and other related accessories/equipment required for the purpose shall be handled and maintained by contractor. The contractor shall operate & maintain about maximum 05 numbers of weighbridges at Valia Mine site round the clock at a time. However, operation & housekeeping of actual number of weighbridges may vary depending upon power plant requirement.
 36. The bid submitted by the contractor not covering the total scope of work and services as detailed out in the tender document shall be liable for rejection.
 37. The Successful bidder shall deploy their weighbridges operators having minimum qualification 12th / Higher secondary examination pass and also should have at least two/three years experience of operation of computerized weighbridges OR at least three months computer course certificate.
 38. The successful bidder shall deploy semi skilled workmen for weighbridges operation and unskilled workmen for housekeeping and book binding work.
 39. The successful bidder shall organize training of their manpower, to be deployed in the weighbridge's operation & housekeeping, after receipt of the authorization letter and before commencement of the work, under the provision of MVTR, at GIPCL's own Vocational Training centre.

During monthly Joint calibration of weighbridges, contractor shall co-ordinate/ follows the instructions of GIPCL engineer.

1.2 FAILURE DURING EMERGENCY

During any emergencies, contractor shall have to carry out the work by deploying additional force within four-hour notice period failing which GIPCL reserves the right to carry out this work by engaging other party. The expenditure occurred due to such situations, the Contractor will be held responsible & the same will be recovered from the Contractor's monthly bill / any other pending bills along with 10% overhead charges plus applicable GST, as per extant GST Laws. For repetitive failure of such work for more than two incidents, GIPCL reserve the right to terminate the entire

contract by forfeiting all pending dues, Security Deposit & other retention money, if any, after giving 15 days notice to the contractor & this will be binding to the contractor.

1.3 SCOPE OF CONTRACTOR

1. All tools & tackles, & PPE required to execute the contract will be in the scope of the contractor. The contractor should ensure for healthiness/working conditions of tools & tackles.
2. All safety/PPEs required during work at site are to be arranged by the contractor.
3. The contractor has to arrange cleaning of weighbridges cabin, computers, printers, weighment indicators, joint box, cables, and fans. The contractor has also to arrange weighbridges platform, ramps, and RFID in installation on daily/shift basis as per requirement & instruction of GIPCL engineer.
4. Contractor has to depute their full time experienced site-in-charge /supervisors for work execution as per specification and for day to day work planning & coordination with respective department's Engineer-in-charge, to obtain day to day Location/Package/weighbridges wise work, to get daily work supervision, to record & reports/measurements/trip certification/clarification, to prepare bills, to prepare & apply statutory & legal compliance records, etc...

1.4 TO REMEDY DEFECTIVE WORK

If the work or any portion thereof shall be damaged in any way excepting by the acts of the GIPCL, or if defects not readily detected by proper inspection shall develop before the final completion and acceptance of the whole work, the CONTRACTOR shall forthwith make good, without compensation, such damage or defects in a manner satisfactory to the ENGINEER / GIPCL. In no case shall defective or imperfect work be retained even if contractor followed all technical specifications. GIPCL will not compromise for quality of materials, works & workmanship.

The CONTRACTOR shall remain liable under the provisions of this clause notwithstanding the passing by the GIPCL of any certificate, final or otherwise or the passing of any accounts.

1.5 DAILY DIARY AND PROGRESS REPORT:

The CONTRACTOR will supply all detailed information every day at 9:00 hours for the day preceding at Mine site office. A works instruction register, will also be kept in the weighbridges cabin and all day to day instructions will be given in that register. The CONTRACTOR'S representative shall report every day to see these instructions and sign them at the bottom in token of his having seen them.

The CONTRACTOR shall supply all information regarding weighment of materials and progress of work, as is required by the GIPCL ENGINEER.

2. PRICE & RATES

The rates quoted by the Bidder in the online Price Bid shall be inclusive of cost of all labor, supervision, cost of supervisor, all tools & tackles, safety equipments & PPEs. and such other costs that are not specifically mentioned herein but will be incurred by the contractor for the satisfactory and timely completion of the work. The quoted rates shall be deemed to include for everything mentioned in the specification, all leads & lifts, contractor's overheads & profits for due performance of the work under this contract and such other costs that are not specifically mentioned herein but will be

incurred by the contractor for the satisfactory and timely completion of the work. The rates shall also include cost for mobilization / demobilization of manpower, equipments, materials, etc.

The rates shall be firm for entire contract period and also during extension, if required and shall not be subject to any escalation in prices, idle charges for labor, machinery, overhead expenses etc. No price escalation / idle charges shall be due to any reason whatsoever.

The prices / item rates quoted by Bidder shall remain firm till completion of the contract period and any agreed extensions thereafter and shall not be subject to any other escalation, idle charges for labor, machinery, overhead expenses etc. No price escalation / idle charges shall be payable due to delay in work by contractor or due to non-availability of work front by GIPCL or any reason whatsoever.

The price/rate quoted by CONTRACTOR shall be considering mobilization of all required manpower, tools & tackles, materials, equipment for timely and satisfactory completion of all scope of work.

The value and/or quantum of work may be increased or decreased depending upon day to day requirement. However, item rates remains unchanged and the payment shall be made as per the actual quantity executed as informed & certified by GIPCL representatives.

SPECIAL CONDITION OF CONTRACT:

The work contract for providing Biennial Rate Contract (BRC) for operation and housekeeping of 8 nos. of weighbridges installed at Plant side and 5 nos. of weighbridges installed at Valia Mine site is activity-based contract.

The accepted rates are firm & final during the contract period irrespective to any variation in state and central government minimum wages.

- i. Rates will remain firm throughout the contract period and any extension thereof. There will not be any escalation/compensation to the contractor against any revision whatsoever. The Contractor shall not pay less than the Minimum Wages notified by the Government from time to time to his employees of corresponding categories
- ii. Contractor shall at his expense comply with all labour and industrial laws and such other acts and statues as may be applicable to the contract in respect to pay etc.
- iii. On account of any default in respect of all liabilities and in case of non compliance of the above, the company can withhold their payments from the bills, Security deposit, PBG etc. till all legal liabilities are discharged.
- iv. GIPCL reserve the right to ask contractor to deploy workmen as per actual requirement for timely weighment of minerals.

3. CONTRACT PERIOD

The contract period for Biennial Rate Contract (BRC) for operation and housekeeping of 8 nos. of weighbridges installed at Plant side and 5 nos. of weighbridges installed at Valia Mine site is two year (2027-2028) i.e. 01.01.2027 to 31.12.2028, from date issue of LOI or work order whichever is later.

GIPCL reserves the right to extend the original contract period up to three months on the same terms and conditions, without any escalation & without issuing any new work order.

The maximum mobilization period will be 15 (Fifteen) days from the date of issue of Lol or Work Order whichever earlier.

6. TERMS OF PAYMENT

A. Conditions of Payment:

The contractor shall raise the location wise separate running invoices in duplicate every month in respect of the work performed or completed during the month along with the documents as hereinafter provided. On receipt of the invoice complete in all respects and with all the said documents, the payment in respect of the same shall be made within 15 days of such receipt of a complete invoice as per the following terms of payment:

- (i) 100% of monthly RA bill along with 100% taxes shall be released against the work executed duly certified by GIPCL Income Tax (IT) will be deducted at source from monthly RA bills as per the rules in force.
- (ii) Security deposit at 10% of Annual contract value (excluding GST) shall be submitted as per clause no.: 1 of Section-C. Security deposit will be returned to the Contractor without any interest after retention period of three months from actual contract completion date as certified by Engineer-in-charge as per clause no.: 1 of Section-C.
- (iii) GST shall be paid along with bills after fulfillment of following terms.
 - (a) Submission of copy of registration certificate issued by GST Authority (to be furnished only once).
 - (b) Citing the GST Registration no. And the date of issue of registration certificate on invoices.
 - (c) Claim of GST amount with percentage (%) separately shown on the invoices.
 - (d) The contractor shall be required to submit the proof of payment of GST of previous month/quarter, as may be applicable as & when demanded by GIPCL/Owner/company.
 - (e) The Bidder shall inform the GIPCL in the event of its registration certificate is cancelled or discontinued for whatsoever reason.
 - (f) The bidder shall also mention on their invoice the HSN/SAC code as applicable under the GST laws under which GST is levied and a self-certified authentic third-party evidence (www.cbic-gst.gov.in) shall be adduced to that effect by the vendor.
- (iv) At the time of submission of the first monthly RA Bill, the Contractor shall submit a certificate from Engineer-in-charge regarding availability of tools & tackles, equipments, vehicles etc at site. The Contractor shall also furnish the checklist as per **ANNEXURE-A** of previous/last/current month/s or period/s enclosed at Section-F of this tender document along with the RA bill of previous/last/current billing month/s or period/s, as applicable.
- (v) The contractor along with monthly/periodical RA Bill of previous/last/current billing month/s or period/s, as applicable, shall submit copy of P.F. Challan, Xerox copies of wages register of previous month, Xerox copies of attendance sheet of respective month & copy of ECR statement indicating the employee and employer's P.F contribution of previous/last/current month/s or period/s, as applicable, with respect of employees employed by him for the contract at GIPCL site.

- (vi) The Contractor shall submit his Final Bill along with no claim/no arbitration certificate with final bill within a period of four ~~three~~ months of the expiration or earlier termination of the contract or any extensions that may be granted by GIPCL to the Contractor. GIPCL shall not entertain any bill for any work item after expiration of period of four ~~three~~ months. After the final bill amount is certified by GIPCL for payment and the same is made known to the bidder by GIPCL, the bidder to submit no claim no arbitration certificate for GIPCL to pay the Final Bill.
- (vii) The Contractor shall include all his claims in the Final Bill submitted by him and accordingly the final bill submitted by the Contractor shall be deemed to be inclusive of all and whatsoever the claims that the Contractor may have from GIPCL. The Contractor shall not be entitled to claim any amounts which are not mentioned in the Final Bill and the Contractor shall be deemed to have waived any claims not mentioned in the Final Bill and shall not be entitled to recover the same from GIPCL subsequent to the submission of the Final Bill on any account and GIPCL shall stand absolved of all its liabilities in respect of any such claims not raised by the Contractor in his Final Bill.

B. Validity and Uniformity of Rates

The rates shall be valid & shall remain firm & unaltered for the Contract Period & any agreed extension thereof.

5. SUBMISSION OF TECHNICAL DOCUMENTS TO THE ENGR-IN-CHARGE

Contractor shall submit following documents to the Engineer-in-charge for verification purpose of the bill:-

Monthly measurement / weightment sheet along with duly signed by authorized representative of contractor and GIPCL Engineer.

The bill will not be entertained without submission of above documents.

6. SUBMISSION OF STATUTORY COMPLIANCES WITH EACH BILL

- (i) The contractor shall submit, one time or regularly, as applicable, the following document along with the periodical/monthly RA bill/Final RA bill.

1. Copy of statutory compliance like labour license, EC Policy, Certificate of Compliance by Contractor, Bank Statement for deposition of Wages, wages payment register, attendance register, PF paid Challan with ECR, TRRN copy, etc., along with wage certificate pertaining to previous/last/current billing month/s or period/s, as applicable, in the standard/required format.
2. Notarized Indemnity Bond as per standard Proforma, in case of Final bill.
3. No claim - No arbitration certificate as per Proforma at Annexure-"E" in Section-F, after the final bill amount is certified by GIPCL for payment and the same is made known to the contractor by GIPCL & accepted by the contractor.

Bill submitted without any of the above documents shall not be processed for payment.

7. MEASUREMENT& DAILY REPORTS

Contractor shall maintain register for daily work done/operation/maintenance report at each weighbridges cabin installed at plant site and Valia Mine site.

8. MOBILIZATION AND EXECUTION

The period of 15 (Fifteen) days shall be allowed for mobilization to commence the operation and housekeeping work of the weighbridges at both site as per scope of work reckoned from the date of issue of letter of intent or work order whichever is earlier.

The work shall be executed strictly as per time schedule by deploying adequate experience personnel, healthy equipments, tools and tackles. The zero-date reckoned for the contract shall be the date of issue of LOI or work order to the successful Bidder.

- a) Contractor shall mobilize the resources at site within 08 hours from the time the intimation given by GIPCL.
- b) Contractor shall provide required separate & independent site supervisors who will be responsible for supervision and execution of job in specified time with respect to quality, specifications, site preparations, safety, co ordination with GIPCL, issue of work permits, joint measurements, etc... The supervisors shall coordinate with the Engineer-in-charge of GIPCL for proper execution of the job.
- c) The resources required for execution of above jobs will vary from time to time, hence contractor shall mobilize the resources accordingly.

9. QUANTITY OF WORK

The estimated quantities of work required to be carried out by the contractor are as given in the Section-E (Schedule of Rate) estimated and shall vary according to varied requirement by the GIPCL's SLPP power plant and the exigencies of work at site. However, the rates quoted by Bidder shall remain firm irrespective of any variation in estimated quantities. Contractors shall engage required nos. of labors along with required tools & tackles as per work load and emergency situations throughout the contract period to perform his contractual duties.

In case, contract quantity/amount exhausted before completion of contract period, GIPCL reserve the rights to increase the quantities or contract amount for successful completion of entire contract period. Contractor shall responsible to complete the particular job up to entire satisfaction of Engineer-in-charge. The item rates remain firm & unchanged till completion of the contract and any agreed extensions thereafter and shall not be subject to any escalation, idle charges for labor, machinery, overhead expenses etc... for any reason whatsoever. The quantum of work of individual item may be up to any extent depending upon requirement. However, item rate remains unchanged. Under this contract, contractor has to execute all work as per the Plant requirement.

10. GENERAL CONDITIONS OF CONTRACT

General Conditions of Contract (Section-C) and detail specification prepared by the company will be applicable for this contract. The same is enclosed herewith. Bidders are advised to go through the same.

Where any portion of the general conditions of contract is repugnant to or at variance with any provisions of the special conditions of contract, then unless a different intention appears, the provision of the special conditions of contract shall prevail to the extent of such repugnancy of variance.

SECTION-E**SCHEDULE OF RATE**

Schedule of Rate of biennial rate contract (BRC) for operation of 8 nos. of weighbridges installed at Plant side and 5 nos. of weighbridges installed at Valia Mine site for the period from 01/01/2027 to 31/12/2028.

Sr. No.	ITEM Descriptions	UOM	Biennial Total weightment of minerals (MT)	Biennial Schedule of Rate for weightment of Minerals (Rs.)	Biennial Total amount of weightment (Rs.)	Biennial Bidder's offered Total amount of weightment (Rs.)
1	Rate Contract for providing services for "biennial Rate Contract (BRC) for operation of 8 (Eight) numbers of pit less electronic weighbridges having 80T capacity installed at Plant site.	MT	74,20,000.00	1.275	9460167.07	
2	Rate Contract for providing services for "biennial Rate Contract (BRC) for operation of 05 (Five) numbers of pit less electronic weighbridges having 80T capacity installed at Valia mine site	MT	62,00,000.00	1.473	9135224.31	
Total contract amount in Rs.					18595391.37	
GST @ 18.00%					3347170.45	
Total Amount					21942561.82	

Note:

- The rates shall include all labour cost, supervision, consumables, tools, tackles, as mentioned in tender document.
- The total estimated value of SOR for above said work is Rs. 18595391.37 (Rupees One Crore Eighty-Five Lakhs Ninety-Five Thousand Three Hundred Ninety-one and Thirty-Seven paisa only) which is exclusive of applicable GST.
- The above given quantity are purely tentative and may vary depending upon the actual requirement of the GIPCL's SLPP Power plant.
- Total amount quoted for providing services for "biennial Rate Contract (BRC) for operation of maximum 08 (Eight) numbers weighbridges at Plant Side and maximum 05 (Five) numbers weighbridges at Valia mine site shall be considered for deciding the lowest three bidders (minimum) or 50% out of total bidders (rounded to the next higher whole number),

whichever is higher for making them eligible for the e-reverse auction. However, lowest total overall amount combined shall be considered as the base rate which will put up for starting e-Reverse Auction.

5. For estimation of SoR, GIPCL has considered minimum wages of State government at plant site and Central government at Valia mine site, applicable as on 01.04.2026.
6. For estimation of SOR, Total basic MW, PF @ 13.00 %, Bonus @ 8.33 %, Paid Leave @ 5.0 %, Paid Holiday @ 1.50 %, Insurance @ 1 %, Annual Health Check Up, all PPE, cost of vacuum & air cleaner and book binding etc are considered. But others parameters are not considered, they are 1. Profit /Service charge 2. Working capital cost 3. Administrative/Overhead Charge 4. Any rise in minimum wage rate (MWR)
7. Bidder is required to quote rates inclusive of all as mentioned above.
8. Rates indicated are firm during the contract period and not subject to any escalation whatsoever.
9. Rates shall be exclusive of the applicable GST if any, as may be in force while submitting bids. Changes in the rate of GST or levy of any other taxes shall be reimbursed at actual. Bidder may be asked by GIPCL to furnish the documentary proof of having paid the GST levied by the bidder in his RA bills. If not furnished, GIPCL may hold the future payments of GST levied by the bidder in his RA bills till the documentary proof of having paid the said GST is not furnished by the bidder to GIPCL so asked for by GIPCL.
10. Bidder is required to quote the rates strictly as per the terms and conditions mentioned above. The conditional bid will not be entertained and will be summarily rejected.
11. Rates are included for all activities related to Biennial Rate Contract (BRC) for operation and housekeeping of maximum 08 nos. of weighbridges installed at Plant side and maximum 05 nos. of weighbridges installed at Valia Mine site.
12. GIPCL reserve the right to ask contractor to deploy workmen as per actual requirement for timely weightment of minerals.
13. The lowest rate for the e-reverse auction shall be considered on the basis of overall lowest offer.
14. Decremental value and duration for the e-reverse auction shall be informed to the qualified bidders before start of e-Reverse Auction.
15. E-Reverse auction shall be for reducing the lowest overall amount for providing services for "Biennial Rate Contract (BRC) for operation and housekeeping of maximum 08 nos. of weighbridges installed at Plant side and maximum 05 nos. of weighbridges installed at Valia Mine site
16. After e-Reverse Auction process, L1 bidder shall be decided based on the lowest amount.
17. Percentage reduction in the total amount of all works together by e-reverse auction process will be equally applied to all the works i.e. Sr. No. (1) and (2) (price schedule) accordingly.
18. L1 Bidder, declared after the e-Reverse Auction process may be called for negotiation and if required, may be asked by GIPCL for reduction in rates of any of works, if found quoted unreasonably.

PROCEDURE FOR MAKING ONLINE PAYMENT OF EMD/SD/TENDER FEE

1. For making online payment, first go to the website: **www.gipcl.com**

2. Then, click on the caption/link as can see like:

“Click here for Making Online Payment of Advance for Ash, DM water etc.”

(The link is visible as horizontal highlighted below Tenders - News & Update Section. Can be seen in below screenshot)

3. After clicking the link the new page will open. On this page, No need to enter User Name and Password. Directly click on “Payment Form” given below the sign in option.

4. After clicking the “Payment Form”, the vendor has to enter the details asked which will be self explanatory. It is desired that all the information may be filled correctly so that the payment made can be tracked.

If the some required fields are not known/available, vendor may write “Not Available” and then proceed. E.g. some information like Party code is not available to vendor or GST No. not available with vendor.

Optional Note: Although mentioned as above can be proceeded with “Not available”, It will be appreciated that regular vendors may obtain the party code from Materials Deptt. or Concerned Person, so that the vendor can be identified. The same party code may be used for future transactions also.

After entering the details, click on SUBMIT Button.

5. The vendor/Party will be redirected to Payment Gateway.

By selecting the desired payment mode, payment can be made:

6. After making the payment, the receipt will be generated which has to be shared with Concerned Person of GIPCL.

Important Note: Please note that for making online payment through the above gateway, the charges* as below will be applicable, which has to be borne by Vendor/Party making the Payment:

Payment Mode	Charges
Net Banking	Rs.9 + GST
Debit Card	NIL
Credit Card	0.75% + GST
International Card	3.00% + GST
UPI	NIL
