VOLUME-I

SECTION 1

NOTICE INVITING TENDER (NIT)

Gujarat Industries Power Company Limited (GIPCL) invites bids on Turnkey / EPC basis which covers Site Assessment, Topography, Soil investigation, Design, Engineering, Procurement, Supply, Transportation, Receipt, Erection, Construction and Commissioning (Engineering, Procurement and Construction /Turnkey) of project for Package-A, B, C and dismantling of the system vide Package-D. Following packages at Surat Lignite Power Plant (SLPP), Phase-I, Nani Naroli, Surat, Gujarat under the Renovation, Modernization and Life Extension (R&M and LE) program.

- Package-A** Design, engineering, manufacturing, assembly, procurement, testing at manufacturer's works, delivery up to site including transit insurance, loading, unloading and internal handling at site, storage and insurance, Construction, Erection including testing, Commissioning of a new Lignite Feeding System near Plant End
- Package-B** Associated work for new lignite feeding system.
- Package-C** Design, engineering, manufacturing, assembly, procurement, testing at manufacturer's works, delivery up to site including transit insurance, loading, unloading and internal handling at site, storage and insurance, Civil & structural works, Erection including testing, Commissioning of surface feeder for contingency feeding (temporary feeding) arrangement in phase-1 system.
- Package-D** Dismantling & disposal of existing conveyor system (Feeder Breaker, BCN-M1A conveyor system including gallery structure and associated structure, Stacker-cum-Reclaimer and associated Electrical, C&I, IT and balance system items) on "As is" "Where is" basis.

The Contract shall be awarded on a Fixed-Rate / Turnkey (EPC) basis through an Open E-Tender on the n-Procure portal followed by E-Reverse Auction. The Contractor shall have single-point responsibility for design, engineering, supply, construction, erection, integration with existing system, testing, commissioning, and handing over the entire system. Detailed scope is provided in respective technical chapter.

Tender Documents may be downloaded from the website <https://www.nprocure.com> or <https://gipcl.nprocure.com> (for view, download and online submission) and GIPCL website <http://www.gipcl.com> (for view & download only). Tender Fee & EMD shall be paid along with submission of Bid Documents. All relevant documents shall be submitted physically or Registered Post A.D. or Speed Post or by Hand Delivery addressed to:

CGM (Thermal) , Gujarat Industries Power Company Limited

Surat Lignite Power Plant (SLPP), Village: Nani Naroli, Taluka: Mangrol, Dist.:
Surat, Gujarat

Superscribe envelope with Tender No. and Description.

TABLE A: IMPORTANT DATES

Event		Details
i.	Date of upload of original tender (GIPCL/SLPP/R&M/LHS/FB-RELOCATION/EPC/2026)	: 24 /07/ 2026
ii.	Site Visit by Bidders	: 03/08/ 2026 Bidder has to give the name along with their Govt. ID proof by 03/08/2026 to GIPCL for the person visiting the site.
iii.	Last date and time for receipt of questions/ queries/ clarifications	: 10/08/ 2026
iv.	Date and Time of Pre-bid Meeting	: 12/08/2026 at 11:00 Hrs, At GIPCL (SLPP), Nani Naroli, Taluka: Mangrol, Dist.: Surat
v.	Online (e-tendering) Tender/Offer submission last date {This is mandatory}	: 21/08/ 2026 Time: 17:00 hours (IST) On n-procure portal for Bid Submission
vi.	Physical receipt of Bid with all the relevant documents last date (By RPAD or Speed Post or By Personal Messenger) {This is mandatory}	: 21/08/ 2026 Time: 15:00 hours (IST) Venue: GIPCL SLPP, Nani Naroli, Mangrol, Dist. Vadodara.
vii.	Bid Validity	: Offers shall be valid for a period of 06 (Six) months from bid submission due date.
viii.	Date of opening (Tender Fee, EMD Cover, Vendor Registration and Technical Bid Physical as well as Online opening)	: Will be decided by GIPCL (Internal opening by GIPCL)

Event		Details
ix.	a) Opening of Financial Bid	: a) Will be decided by GIPCL (Internal opening by GIPCL)
	b) e-Reverse Auction starts from	b) Will be informed by GIPCL to all qualified Bidders.
x.	Schedule date for Work Completion	: 30 Months from date of Letter of Intent (LoI) can be extended upto 36 Months
xii.	EMD Validity	: 12 (Twelve) months from bid submission due date or to be extended as per GIPCL requirement.
xiii.	Queries regarding Pre- Bid meeting	Any queries regarding pre-bid meeting may be forwarded to Contact Person of GIPCL at least three days prior to the Pre-Bid meeting.

Note: The above dates are subject to amendment. Bidders are requested to refer to amendments / corrigendum published on the n-Procure portal.

TABLE B: IMPORTANT AMOUNTS

Sr.	Head	Amount / Validity
i	Tender Fee (Non-Refundable)	INR 5,900/- (inclusive of applicable GST), payable by DD or online payment as mentioned in tender document
ii	Earnest Money Deposit (EMD)	INR 24,50,000/- (Rupees Twenty Four Lakh Fifty Thousand only), payable in the form of Bank Guarantee or Online Payment. Validity: 12 (Twelve) months from Bid submission due date.

iii	Security Deposit-cum-Performance Bank Guarantee (SD/PBG)	10% of Total Contract Value (LoI/LoA/Work Order Price excluding GST), to be submitted within two (2) weeks from issuance of LoI/LoAWO. Validity: Forty Eight (48) months (36 months contract period + 12 months Defect Liability Period) from date of LoI/LoAWO, extendable as per actual completion.
-----	--	---

1.1 NOTICE INVITING TENDER & IMPORTANT NOTE TO BIDDERS

Timely submission of offer to GIPCL: In addition to the Bid submitted online on the n-Procure portal, all relevant documents as per the requirement of this Tender shall also be submitted physically along with proof of Tender Fee and EMD in sealed covers, so that the same is received at the GIPCL SLPP site office on or before the due date and time. All such documents shall be strictly submitted by RPAD / Speed Post / In Person in sealed cover only. Otherwise, the offer will not be considered and no further communication in this regard shall be entertained. Please note that the Price Bid is NOT to be submitted in physical form.

No Bid shall be accepted in any case after the due date and time of receipt of Tender, irrespective of delay due to postal services or any other reasons, and GIPCL does not assume any responsibility for the late receipt of the Bid.

1. All interested parties are requested to understand this Tender in detail in order to comply with GIPCL's requirements including but not limited to the fees and deadlines, selection criteria, selection methodology, scope of work, and minimum technical standards. They shall strictly abide by ALL terms prescribed in this Tender and provide accurate information to the best of their knowledge without misleading the Owner, to be considered for participation in this Project.

2. It is mandatory for all the Bidders to submit their Financial / Price Bid ONLINE ONLY via e-Tendering portal (n-Procure). Physical submission of Price Bid shall not be accepted.
3. Technical Bid (Techno-Commercial Unpriced Bid) is to be submitted both in physical form as well as in soft copy (online). It is mandatory for all Bidders to submit their Technical Bid documents in both forms i.e. online (e-Tendering) as well as in hard copy within the scheduled time. Technical Bid in any one form only (either online or physical) shall not be considered. Technical Bid shall be submitted in Three (3) copies (1 Original + 2 Copies) in sealed envelopes.

Technical Bid envelope shall be superscribed as:

"Design, Engineering, Supply, and Construction of package (A, B ,C and D) vide New Lignite Feeding System, Associated work of new lignite feeding system and installation of the contingency feeding arrangement – GIPCL SLPP Phase-I R&M and LE"

4. All envelopes shall be addressed to:
CGM (Thermal)
Gujarat Industries Power Company Limited (GIPCL)
Surat Lignite Power Plant (SLPP), Village: Nani Naroli, Taluka: Mandvi,
Dist.: Surat, Gujarat
Complete postal address of the Bidder shall appear on all envelopes so that it is possible to identify whose Bid it is without opening the envelope.
5. Tender Fee and EMD shall be submitted in two separate envelopes.
6. Tender Fee (non-refundable) of Rs. 5,900/- (inclusive of GST) will be accepted by DD drawn in favour of "Gujarat Industries Power Company Limited" payable at Surat or by Online Payment as per the procedure given in the Tender Document. Bids submitted without Tender Fee shall not be accepted. The envelope for Tender Fee should be superscribed as "TENDER FEE". Cheques are not acceptable.
7. EMD of Rs. 24,50,000/- (Rupees Twenty-Four Lakh Fifty Thousand only) shall be submitted in the form of Bank Guarantee / DD in favour of "Gujarat

Industries Power Company Limited" payable at Surat, or by Online Payment. The envelope for EMD should be superscribed as "EMD". Cheques are not acceptable.

8. It is mandatory for all Bidders to submit their Price Bid ONLY through the online (e-Tendering) mode. Price Bids submitted in physical form shall not be considered. Price Bid of only those Bidders who are found technically qualified and commercially responsive shall be opened for evaluation.

9. Any technical / commercial query pertaining to this Tender should be referred to:
- CGM (Thermal)**
Gujarat Industries Power Company Limited (GIPCL)
Surat Lignite Power Plant (SLPP), Village: Nani Naroli, Taluka: Mangrol,
Dist.: Surat, Gujarat
Email: csjadeja@gipcl.com, sjparmani@gipcl.com, misheth@gipcl.com
Mob: 09909925316
10. Bidders who wish to participate in this tender will have to procure or should have a legally valid Digital Certificate (Class III) as per the Information Technology Act-2000, using which they can sign their electronic bids. Bidders can procure the same from any of the licensed Certifying Authorities in India, or can contact (n) Code Solutions – A Division of GNFC Limited, who are a licensed Certifying Authority by the Government of India.
11. **The Bidder shall submit the following documents along with the Techno-Commercial Bid. Submission of incomplete or incorrect documents may lead to rejection of the Bid:**
- a. Bid Form duly filled, signed and stamped
 - b. Power of Attorney in favour of the Authorized Signatory
 - c. Consortium / Joint Venture Agreement, if applicable
 - d. Documentary evidence in support of meeting Technical Qualification / Eligibility Criteria
 - e. Experience / Completion Certificates issued by the Project Owner / Client
 - f. Audited Financial Statements for the last three (3) completed Financial Years
 - g. Chartered Accountant's Certificate for Average Annual Turnover
 - h. Declaration regarding Non-Blacklisting / Non-Debarment
 - i. Any other document specified in this Tender Document
12. In case of any further information regarding online bidding or if a Bidder needs any assistance in accessing/submission of online bid/clarification

or if training is required for participating in online e-Reverse bidding, then the Bidder can contact the following office for assistance or training:

(n) Procure Cell, (n) Code Solutions – A Division of GNFC Ltd.

403, GNFC Info Tower, S.G. Road, Bodakdev,
Ahmedabad – 380054 (Gujarat)

Toll Free: 1-800-419-4632 / 1-800-233-1010 |

Email: nprocure@gnvfc.net; Website: <https://www.nprocure.com>

13. To participate in e-Reverse Auction, Bidders have to create an e-Auction User ID on www.auction.nprocure.com. It is mandatory to submit the same along with the physical Technical Bid (in EMD Cover) so that the Bidder shall be allowed to participate in the E-Reverse Auction.
14. Tender Documents (PDF format) can be downloaded from the websites <https://www.nprocure.com>, <https://gipcl.nprocure.com> , <http://www.gipcl.com>
15. GIPCL reserves the right to accept / reject any or all Bids without assigning any reasons thereof. Bidders are requested to remain in touch with the above-mentioned websites until the opening of the Price Bid to know the latest status.

1.2 DISCLAIMER

This Tender document is neither an agreement nor an offer, and is solely issued for the purpose of inviting Bids from eligible Bidders for selection and appointment of a Contractor for the subject work.

The information contained herein or otherwise provided to the Bidders, whether verbally or in documentary or any other form, by or on behalf of GIPCL or any of its employees, is provided to the Bidders on the terms and conditions set out in this Tender Document and such other terms and conditions subject to which such information is provided.

GIPCL makes no representation or warranty and shall have no liability to any person including any Bidder, under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this Tender Document or otherwise, including the accuracy, adequacy, correctness, reliability or completeness of the Tender Document and any assessment, assumption, statement or information contained therein or deemed to form part of this Tender Document or arising in any way for participation in this Tender.

GIPCL also accepts no liability of any nature whether resulting from negligence or otherwise however caused arising from reliance of any Bidder upon the statements contained in this Tender Document. The information given is not an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law.

GIPCL reserves the right to revise or modify any part of this Tender Document and the information contained herein at any time prior to issuance of the Letter of Intent. GIPCL also reserves the right to reject any or all of the Bids and to annul the Tender Process at any time without any liability or any obligation for such acceptance, rejection or annulment.

1.3 DEFINITIONS

In this Tender Document, the following terms shall have the meanings ascribed to them hereunder:

Term	Meaning
GIPCL / Owner	Gujarat Industries Power Company Limited, a Government of Gujarat Undertaking, having its registered office at P.O. Ranoli – 391350, Dist.: Vadodara, Gujarat.
SLPP	Surat Lignite Power Plant
R&M and LE	Renovation, Modernization and Life Extension programme of GIPCL-SLPP Phase-I.(Unit – 1&2 : 2 x 125 MW)
Feeder Breaker Relocation / New LHS	Design, Engineering, Supply, and Construction of a new Lignite Feeding System near Plant End (Installation of New Feeder Breaker), including new ramp and all associated systems.
Surface Feeder	Design, Engineering, Supply, and Construction of a contingency feeding arrangement
Contractor	The Bidder who is awarded the Contract for execution of the subject scope of work.
Tender / RFP	This Request for Proposal / Tender Document including all its sections, annexures, appendices and amendments/corrigenda.
Bid / Offer	The complete submission made by the Bidder in response to this Tender including Techno-Commercial Bid and Price / Financial Bid.
BEC / PQR	Bidder's Eligibility Criteria / Pre-Qualifying Requirements
EMD	Earnest Money Deposit as specified in this Tender Document.
SD/PBG	Security Deposit cum Performance Bank Guarantee as specified in this Tender Document.

Lol / LoA / WO	Letter of Intent / Letter of Award / Work Order issued by GIPCL to the successful Bidder.
EPC / Turnkey	Engineering, Procurement and Construction contract with single-point responsibility.
n-Procure	The online e-Tendering and e-Reverse Auction portal (https://www.nprocure.com).
GST	Goods and Services Tax as applicable under the laws of India.
TPH	Tonnes Per Hour – unit of conveying/handling capacity.
VFD	Variable Frequency Drive for motors.
LHS	Lignite Handling System.

1.4 INTERPRETATION

1. Words importing the singular shall include the plural and vice versa.
2. Words importing any gender shall include all genders.
3. References to persons shall include individuals, companies, corporations, firms, partnerships, joint ventures, associations, organisations, governments, states, foundations and trusts.
4. References to any legislation, statutory provision or statutory instrument shall include a reference to that legislation as from time to time amended, extended or re-enacted.
5. The headings in this Tender Document are for convenience of reference only and shall not affect its interpretation.
6. Unless the context otherwise requires, "days" shall mean calendar days including Sundays and public holidays.
7. All monetary values specified in this Tender Document are in Indian Rupees (INR) unless otherwise specified.
8. If there is any inconsistency or conflict between any provisions of the Tender Document, the matter shall be referred to GIPCL whose decision shall be final and binding.
9. The Bidder shall be deemed to have read, understood and agreed to comply with all the requirements, terms and conditions of this Tender Document.

1.5 INTRODUCTION OF THE COMPANY

1. About GIPCL:

Gujarat Industries Power Company Limited (GIPCL) (henceforth be named Company / GIPCL) was incorporated in the year 1985 as a Public Limited Company. The Company is registered with the Registrar of Companies, Gujarat under the Companies Act, 1956, registered and corporate Office is located at P.O. Ranoli, Vadodara- 391 350, Gujarat, India.

GIPCL functions under the umbrella of Energy and Petrochemicals Department, Govt. of Gujarat. GIPCL's equity shares are listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE).

GIPCL is in the business of Electrical Power Generation and is a Premier Power Utility in the State of Gujarat with an installed capacity of 1,859.4 MW comprising Thermal (Lignite and Gas) and Renewable (Wind and Solar) Power Plants. GIPCL also operates captive Lignite and Limestone Mines to meet the fuel requirement of the 500 MW Surat Lignite Power Plant.

Surat Lignite Power Plant (SLPP) with 4 (four) units of 125 MW capacity each is located at Village: Nani Naroli, Taluka: Mangrol, District: Surat in Gujarat. The Power Plant is based on Circulating Fluidized Bed Combustion (CFBC) technology for the Boilers.

GIPCL is having total 1,049.4 MW Renewable Generating Capacity (937 MW Solar and 112.4 MW Wind generators) spread across the various locations in Gujarat.

2. About the Project :

GIPCL-SLPP Phase-I comprising Units-1 & 2 was commissioned in the year 1999 and entered Commercial Operation in February 2000. The Phase-I units have completed over 25 years of continuous operation and Considering the residual plant life and to ensure sustained performance, GIPCL has initiated a comprehensive Renovation, Modernization and Life Extension (R&M and LE) Program for SLPP Phase-I.

Package-A	Complete Design, Engineering, Manufacturing/got manufacturing, testing, supply, construction & commissioning of the new lignite feeding system with capacity of 1200TPH including interfacing with existing conveyor system with required modification in existing conveyor system. Slow speed conveyor feeding system with higher belt width to improve stones removal rate. System shall have feeder breaker to handle ROM (Run OF Mine).
Package-B	Civil work vide construction & Installation of the weigh bridge near new feeding system. Supply of new weigh bridge including necessary arrangement. Removal of existing weigh bridge and installation at newly constructed location.
	Civil work vide approach road, culverts, extension of stockpile road & other works
	Electrical work vide lighting, cabling etc
	IT network and RFID system installation etc
	Balance work like firefighting hydrant system extension etc.
Package-C	Supply & installation of the surface feeder along with associated equipments
	Associated works for installation & commissioning of the surface feeder
Package-D	Dismantling & disposal of existing conveyor system (Feeder Breaker, BCN-M1A conveyor and structural gallery, Stacker-cum-Reclaimer and associated Electrical, C&I, items / Associated Work on “As is” “Where is” Basis. Lump-sum Buy-back price to be offered by Bidder.

3. Existing Lignite Handling System:

Phase-I System (Supplied by M/s ThyssenKrupp): The Lignite Handling Phase-I system has a capacity of 1,200 TPH, commissioned in 1999-2000. It starts from the Feeder Breaker located at Vastan Mines end, approximately 3 km from the Plant End. The belt speed of the Phase-I system is 2.74 m/sec.

Phase-II External System (Supplied by M/s FLSmidth & M/s Elecon Engineering): Commissioned in 2011-12, this system starts from an Apron Feeder near the Plant End followed by a medium slow-speed conveyor (BCN-M7) having a speed of 1.8 m/sec for stone removal activity.

1.6 BIDDER'S ELIGIBILITY CRITERIA (BEC) / PRE-QUALIFYING REQUIREMENTS (PQRs)

The following criteria shall be adopted for qualifying the Bidders for consideration for further proceeding of the Bid. Only those Bidders who meet all the eligibility criteria shall be considered for evaluation of their Financial Bids.

1. TECHNICAL CRITERIA:

1.1. Experience in Similar Works :

The bidder should possess minimum Three (03) no's of contract in last Fifteen (15) years ending last day of the month previous to the one in which tender is invited in similar nature of jobs like supply, Manufactured/got manufactured, construction, erection & Commissioning of the Bulk Material handling system having conveyor capacity of 700TPH or above mainly comprising conveyor and crusher/apron feeder/feeder breaker/stacker etc. It should have been in successful operation for at least one year. The order value of any two order (cumulative) shall be >10Cr.

AND

1.2. Design & Engineering Capability:

The bidder should have design & engineering capability of Bulk Material handling system of 700TPH or above and shall have designed & detailing of minimum three no's (3) Bulk Material handling system of 700TPH or above mainly comprising conveyor and crusher/apron feeder/feeder breaker/stacker etc. It should have been in successful operation for at least one year.

1.3. Civil Design Capability (in case of Consortium):

Considering above points no 1.1 & 1.2 , in case the bidder does not have civil design capability, in that case the bidder may form the consortium partner for civil design having the Three (03) no's of contract in last Fifteen (15) years ending last day of the month previous to the one in which tender is invited for civil design evidence of bulk receiving unit with civil ramp / crusher house / Emergency reclaim hopper / stacker reclaimer foundations / wagon tipper foundations / apron feeder foundations in thermal power plant/Mining/Steel plant etc. having system capacity of 700TPH or above.

1.4. OEM Experience Requirement:

- The bidder shall have experience of installation & commissioning of any of the Feeder Breaker/Apron feeder/Crusher/Stack reclaimer of these makes: L&T / FLS / Elecon /TRF/ McNally Bharat/ TAKRAF/TKIL make only, having capacity of 700TPH or above.

Documentary evidence like PO copy, performance certificates, satisfactorily operational certificate etc. from clients of above shall be submitted along with proposals.

2. FINANCIAL CRITERIA:

- 2.1. The Bidder must have a positive net worth as on the date of submission of the Bid.
- 2.2. Bidder should have average annual turnover above 50 Cr. including GST or other applicable taxes for last three financial years. Bidder shall furnish annual audited financial statement duly certified by qualified Chartered Accountant (a member of ICAI) for the last three financial years to demonstrate the financial healthiness of the company. The balance sheet must be in the name of the company.
- 2.3. In case Audited Accounts for the last Financial year is yet to be Audited than the turnover may be submitted with due certificate from Statutory Auditors of the company
- 2.4. Any type of MOU for this purpose will not be entertained. Where audit is not applicable to the bidder as per applicable laws of the land, due certifications by a qualified Chartered Accountant who should be a member of the institute of Chartered Accountants of India of the said turn over for the said last three financial years will have to be done and furnished.

1.7 BANK GUARANTEES & EMD

1. Tender Fee:

Tender Fee of Rs. 5,900/- (Rupees Five Thousand Nine Hundred only, inclusive of applicable GST) is non-refundable and shall be submitted along with the Bid. Tender Fee shall be paid by Demand Draft drawn in favour of "Gujarat Industries Power Company Limited" payable at Vadodara / Surat, or by Online Payment as mentioned in tender.

2. Earnest Money Deposit (EMD):

Earnest Money Deposit (EMD) of Rs. 24,50,000/- (Rupees Twenty-Four Lakh Fifty Thousand only) shall be submitted in the form of Bank Guarantee in the format prescribed in the Tender Document or by Demand Draft / Online Payment in favour of "Gujarat Industries Power Company Limited" payable at Vadodara / Surat. The EMD shall be valid for a period of Twelve (12) months from the Bid submission due date. EMD of unsuccessful Bidders shall be returned after finalization of the Contract. EMD of the successful Bidder shall be returned after submission of the SD/PBG.

3. Security Deposit cum Performance Bank Guarantee (SD/PBG):

The successful Bidder shall submit a Security Deposit cum Performance Bank Guarantee (SD/PBG) of 10% of the Total Contract Value (LoI/LoA/Work Order Price without GST) within two (2) weeks from the date of issuance of LoI / LoA / Work Order. The SD/PBG shall be in the format prescribed in respective Appendix of the Tender Document, in favour of Gujarat Industries Power Company Limited (GIPCL). The validity period of the SD/PBG shall be for a total period of Forty-eight (48) months (Thirty-Six (36) months contract period + Twelve (12) months Defect Liability Period) from the date of LoI/LoA/Work Order and shall be further extended as per the actual completion of the work.

4. Bank Guarantee Format:

All Bank Guarantees shall be from a Scheduled Commercial Bank in India, in the format prescribed in the Tender Document. Bank Guarantees issued

by Cooperative Banks, Regional Rural Banks, and Foreign Banks (except those with branches in India) shall not be accepted.

5. Forfeiture of EMD:

The EMD may be forfeited if:

- a. The Bidder withdraws the Bid during the period of Bid validity.
- b. The successful Bidder fails to sign the Contract or fails to submit the SD/PBG within the stipulated period.
- c. The Bidder is found to have submitted false information / misrepresentation in the Bid.

Yours faithfully,

For and on behalf of Gujarat Industries Power Company Limited

CGM (THERMAL)
